Pine mountain fire logs price

Our traditional firelogs are the perfect edible day or weekend fireside experience. Swerp every day for a moment of magic with a simple punch of a match. Pine Mountain Ultraflame Firelogs, features larger, bolder flames with a split-log shape that enhances the flame and fire experience. Our firefighters light wood fires quickly and efficiently both indoors and outdoors. Our fires produce 80% less carbon monoxide emissions and up to 75% less particulate matter compared to cordwood fires. Almost all of our ingredients come from renewable sources, including pecan shells and molasses. Our use of recycled materials such as hardwood saws, candle wax and coffee deposits reduces waste by more than £100 million a year.
