I was preparing for the first adventure from the Eriador Adventures campaign and it told you to use a block of stat from the Rhovanion Region Guide, which I don't own. I'm considering ordering it from somewhere, but it is a bit unfortunate to have to buy a book just for a stat block. I wonder if there are still anyway to buy PDF, just for ease of use and quick access. I know that I missed the Humble Bundle and Cubicle 7 doesn't sell them directly anymore because of the loss of license. I was looking around and had no luck, so I just wondered if I might have missed a possible source for PDF. Thanks for the help! Page 2 14 comments
