Regardless, Minecraft Marketplace is definitely flowering with new content! To combat your boredom, we've carefully selected 10 skin packs with some of the coolest Minecraft skin designs ever seen on the market starting this month! Go on a trip to jungle Beast Explorers HD forest by Appacado25 adventurers. The biggest development here is that they're all jungle monsters! This is the perfect skin pack that can be used to role in jungle adventures on personal worlds or market maps like our very own Mayan Pyramid Adventure! Each skin comes with beautifully designed and detailed garments, making this unique skin pack favorite for June 2020. Here you can find this amazing skin pack in the official Minecraft market. Image from the project's Minecraft Marketplace page. Freedom Buddies by TeamVisionarySummer is finally here! This party-themed urban skin pack by your own Team Visionary is best for the party role of your dreams. With 8 girl skins and 8 men's skins, this skin pack is the perfect way to spend Friday nights. If you can't go to the club, you can make the club come to you! Browse through minecraft marketplace here. Minecraft received image of the project Page. Hackers by Deluvian ever wanted to be a hacker, but I was braved by the amount of computer information required? Well, this skin pack gives you 12 different hacker-themed skins so you can be a hacker without all the necessary technical knowledge. Troll your friends by downloading the skin pack here. Image from the project's Minecraft Marketplace page. Pirates Dead Vs Alive by Rareloot Sitting on a beach by the sea somewhere, looking into the distance, sometimes you can't help but imagine pirates, pirate ships and treasures in the water. Pirates are a common theme in many media, from video games to movies, even books. There are many stories about cursed treasures turning pirate crews into zombies forever attached to pirate ships. This skin pack by Rareloot turns these stories into a Minecraft reality with 8 pirate-themed skins. 4 are regular ex-pirates and 4 other immortal pirates, perhaps a curse attached to themselves. If you want to play a role in the outcome of this battle between pirates and undead pirates, you can download the skin pack here. Image from the project's Minecraft Marketplace page. Shaliquinn's Schematic Bees by Bee-utiful Outfits with bees officially added to Minecraft, you may want to act as part of a lot of players beehives, hanging with bees and collecting honey. Shaliquinn's Schemes made this possible with the latest skin packs, where players can wear bee clothes. You can download the skin pack here. Image from the project's Minecraft Marketplace page. Summer School by Blocklab Studios If you feel nostalgic for school even now, immediately after the school year is over, there is no fear, we understand. Besides all these tedious educations, school is a place where friendships are established. In fact, Blocklabs Studios seems to understand this as well. That's why they made you 10 skins to play a part in summer school. Re-experience the school year by downloading the skin pack here. Image from the project's Minecraft Marketplace page. Poki Onesies need to catch all the em by Waypoint Studios! This skin pack by Waypoint Studios' 4thSenpai gives you 12 unique skins that you can put in a Pokemon themed onesie. If you want to be friends by being more like Pokemon, this skin pack is for you. Best of all, including free skin! You can get these comfortable skins here. Image from the project's Minecraft Marketplace page. The Greek pantheon of The Greek Gods of Razzleberries is widely considered one of the most popular mythologies in history. Hundreds of thousands of plays, books and films were made with Greek mythology as inspiration. With that in mind, it's understandable if you want to play a role in being part of this incredible series of gods and There are 15 members of the Greek pantheon packed skin by Razzleberries. You can take Zeus' robe and shoot lightning at your enemies by downloading the leather pack from here. Tales of Ancient Japan with Lucky Block Leaves If we move from Ancient Greece to the far east, in Ancient Japan, you will see this pack of skin. Armed with Katanas Samurai, geishas with trusted fans, and even hiding ninjas in the shadows, this skin pack has it all! Whether you're building your own samurai battlefield or trying to get into your friend's house unnoticed as a ninja, this pack of leather has covered you up! Here, you can get Minecraft Marketplace. Image from the project's Minecraft Marketplace page. Giggle Block Studios by Sushi Finally, if you're not in the mood for a PVP battle and don't want to roleplay any complex characters, consider these delicious snacks made by Giggle Block Studios instead! Instead of playing a role, you can turn a particular character into 12 different types of sushi rolls. Does that sound delicious? Yes I am! You can get this leather pack from here. Image from the project's Minecraft Marketplace page. Conclusion We hope you like the skin packs we have chosen for you. Stay tuned for more skin pack features and other exciting content showcases.
