Papa's freezeria apk

You've just started an easy job at an ice cream shop on a laid-back tropical island, but things get hectic when all of Papa Louie's loyal customers arrive on the island for a vacation! In this new installment of the Papa Louie restaurant series, you'll need to add ingredients, mix syrups and ice cream, add toppings and serve the unique Freezeria sundaes to your waiting customers. This latest game features dozens of syrups, candies and toppings that unlock as you play, and a variety of new and returning customers looking to beat the heat with your ice cream sundaes. The time management and practical gameplay of the series is back, with new challenges related to mixing ingredients and serving the right amount of ice cream in sundae cups. Closer customers and the food critic return from Papa's Taco Mia!, as well as weekly paychecks, upgrades and 80 badges in the game to be won while serving ice cream. New to the series, the sundae shop features more than 100 hall decorations that you can buy in the furniture store, with each item affecting your scores while playing. You can place decorations as you wish in your lobby, allowing you to fully customize your shop with wallpaper, posters, furniture and more. Go for a tiki island theme, add shelves and coffee stands, fill the room with jukeboxes - the choice is yours! Related Games brief introduction Permissions Build and serve sundaes on the go with this all-new version of Papa Freezeria, with gameplay and controls reinvented for Android phones! You've just started a relaxing summer job at a beachside ice cream shop, but things get hectic when all of Papa Louie's customers arrive on the island! You'll need to whip delicious sundaes freezer by pouring ice cream, adding blendable and syrups, sundae mix, adding whipped cream and toppings, and don't forget the icing on the cake for a perfect summer treat! You'll need multitasking between each area of the restaurant, with new orders designed to work just in the palm of your hand. Head to the control station to monitor customers waiting in the lobby. Go to the construction station to combine the ice cream and the mixes for each sundae. Jump to the mix station to mix the sundaes until they are mixed just to the right. Go up to the top station to pour whipped cream and toppings before serving the sundae to your picky customers. Each station is a hands-on experience, where you will need to drag, slide and type your way through the sundae construction process. Keep your customers happy to earn points and level up. As your level increases, you'll unlock new pads for the and new customers will start visiting Freezeria! A well-designed sundae also earns you tips, which you can spend on upgrades and decorations for the lobby! Dad's NEW FOR THE PAPA FREEZERIA Freezeria To Go is redesigned and reinvented for smaller screens, so your fingers won't get in the way! CONTROL WITH YOUR POUCES - You'll change stations with buttons in the corners of the screen, perfect for your thumbs. You can also use into the top corners to quickly change the order tickets, and you can see all your order tickets in zoomed mode for easy playback. BUILD STATION - We've completely redesigned the construction station for small screens, so you can quickly and easily pour ice cream and blendables like a master! The For button and the bonus counter are moved to the side and sized just for your thumb, so you can look at the counter and press at the right time without any finger blocking your view. When it's time to choose a blendable or syrup, the entire screen is filled with big buttons so you can easily press the correct item. MIX STATION - We've tweaked the station mix upgrades to work even better on small touch screens. Once you buy the Blend Alarm upgrades, you can drag these big alarms and break them on any blender. Booster buttons are also large and easy to press, and you can even use multi-touch to boost multiple mixers at once! TOP STATION - We've brought back the Topping Bin carousel from Papa's Burgeria To Go! which lets you top sundaes in a whole new way! Slide the carousel on the trim trays to choose the item you want to use, then take the sundae cup to start pouring pads evenly through the sundae. You can also press a button to switch to placeable items like cherries and cookies. And with a full multi-touch holder, you can keep one finger sliding the trays and another tapping on the cup below, so you'll have those sundaes finished in no time! NEW INGREDIENTS - We've added a ton of new ingredients that can't be found in classic or HD versions of the game, including blendables, syrups, whipped cream flavors, and other toppings that you'll unlock as you play the game. There are more than 70 unique ingredients to discover! 'GAME FEATURES' - Practical ice cream shop in the Papa Louie universe - All new controls and gameplay designed for small screens - Multi-task between construction, Mixing and Pading - Shop to buy upgrades using your in-game tips - 85 customers to unlock with unique commands - Challenging Closers and Food Critic - 120 in-game achievements to win -NOTE FOR TABLETS USERS - Papa's Freezeria To Go is designed specifically for small screens. If you're looking for big-screen gameplay, check out Papa's Freezeria HD for tablets! Writing external storage allows you to write to external storage as SD card.
