The updated 6th April 2020 Team at DIY Spare Parts continues to work around the day to fulfill their customers' orders wherever possible. However, following Boris Johnson's address to the nation on 23 March 2020, together with the new measures now implemented, we are experiencing some delays with parts and deliveries as a result. Your custom is extremely important to us and we ask you to deal with us as we strive to fulfill your commandments as soon as possible. We will continue to update you as the situation develops, but in the meantime, thank you for your patience, and we hope that you and your families are safe and well in these challenging and uncertain times.
