## Lincoln park elementary pensacola

Our vision: Lincoln Park Primary Team works with greater parents and communities to create an atmosphere where all students will enjoy a fun learning environment that integrates science, technology, engineering, and math. Our mission: Lincoln Park Primary School Mission is to create an environment that drives students to be productive and skilled while enjoying a fun learning environment. This mission will be achieved through a fun, challenging and creative curriculum, efficient, committed and caring staff, and a safe and positive learning environment. Please help us ensure we can contact you in the event of an emergency by keeping your address and phone number up to date. Parental Engagement Mission Statement: Taman Lincoln Primary School will actively engage parents by providing information and opportunities for all parents to participate and operate as stakeholders with the faculty, staff and school community in the implementation of the school and home Title I program in order to achieve the achievement of the highest students and school performance. The school will coordinate and integrate parents' engagement programmes and activities that teach parents how to help their children at home through the following activities: Parental Report Card Day Conference, Parental Conference, Family STEM Night, Migrant Relations, Whole School Book Study, Staff Development, Parental Book Club Learn more about how to get involved with Home for rent & sold near this school Students here make below the average academic improvement year-on-year, ... More of these schools have average results in how well it serves underserved students with affordability, and students perform below the state test average. Students in this school made less academic progress given where they were last year, compared to similar students in the state. Low progress with low test score means ... that students start at low points and fall further behind their peers. Parental end test scores in this school fall far below the state average. This suggests that students in this school may not perform at grade level. Parental tips Notice something missing or misleading? Under-new students of equity capabilities in the school may fall far behind other students in the state, and the school may have a huge achievement gap.
