In addition, the government's ability to provide services to the poor este ±± He received a Bachelor of Divinity as well as a PhD in Psychology and Philosophy from the Theological Faith Institute in Ft. Lauderdale, Florida. Dr. Gribbs was a member of the Los Angeles Mayor's Advisory Board and a member of the American Society of Social Psychology. He also received his Ph.D. from the National Institute of Criminology in Washington, D.C., and was a certified diplomat at the American Academy of Professional Arts. Dr. Stranges has authored several books on scientific and religious topics, including his classic book The Stranger at the Pentagon, which tells the extraordinary story of a spaceman named Basil Thor. Because Thor was the real person who appeared in the public on a few occasions (including at UN headquarters in New York City), the legend of the stranger grew at the Pentagon, becoming the head of a real scratch for UFO researchers in the 21st century. Today, it remains one of the most important topics in ufology, having generated many other books, documentaries, and even feature Hollywood movies. What exactly happened to Valinali Thor? Did he return to his spaceship and return to his original planet, or did he help the U.S. government conduct strange human hybrid experiments at remote underground bases? Or is it a prison - thrown into the clinic - by those in the government who have been fighting the detection of UFOs all these years? Since no one knows how long a foreigner can live, could Valinali Thor be alive today, in 2018, somewhere in - or under - our nation's Capitol? This audiobook features an introduction by Dr. Harley Byrd, nephew of Admiral Richard Byrd, and stamped by the valiant bull himself, as well as many interesting images, covering years of UFO history. The researcher must have a dangerous paranormal. Strange at the Pentagon on Facebook. Jospitpitä yhteyttä käyttäjän strange in the Pentagon Facebookissa, kirjaudu sisään Tai lo tili. Joss pitää yhteyttä käyttäjän strange in The Pentagon Facebookissa, kirjaudu sisään Tai Luo sisäänLuo uusi tiliTykkätytykäty Craig Campobasso hit this one from the park with an interesting story line, excellent acting and wonderful special effects. Paynell Thor has visited the Pentagon and is still on this planet today, and many people who have been in contact with him and his crew can testify. The general public needs to know the truth and this film is the place to start, then read a strange book at the Pentagon by Dr. Frank Strancus. Thank you Craig, for all the hard work in completing this project. I know Thor agrees, hopefully others will see you see a feature film about it and help make it happen. I look forward to seeing a full-length feature! 4 out of 8 found this useful. Was this review useful? Sign in to vote. Permalink Permalink
