If you're a high school student under the age of 19, and you and/or your parents are currently living in California, or your family recently moved to California and plan to stay here, you may consider a California resident for tuition purposes. Your parents must have citizenship, legal immigration or visa status in the U.S. and prove that plan to make California resident for at least one year before the September 20 fall semester or January 25th spring semester, you may be considered a resident resident resident resident and meet such requirements, you may be considered a California resident. If you are an undocumented student and meet such requirements, you may be considered a California resident for teaching purposes — according to California Assembly Bill 540 (AB 540), which became law in 2001. For more information, please go to the Dream Resource Center website. If you are a non-resident in California, an out-of-state or international student, you pay an additional tuition fee of \$396 per unit or fractional unit. For more information on tuition fees and fees, visit bursar.sfsu.edu/students_services. Money should not come between you and great education. At San Francisco State University, there are plenty of resources to help you. Sixty-six percent of our students receive financial assistance. The State of San Francisco offers several forms of public and private financial support, including grants, job study awards, and loans. Students qualify for need-based scholarships made possible by generous donations from graduates and friends at the university. For more information, visit sfsu.edu/~finaid and studentaid.ed.gov. For more information, visit our Housing COVID-19 information and updates page. MSO Installment Plan I Twelve (12) contributions during the contract period starting in August and ending in August and ending in April. The installment plan I Twelve (12) contributions: four (4) are due on January 15th, February, March and April. Please note that any payment received after the 20th month of each month will be liable for late payment, unless the financial support office is allowed to delay. Even if you don't currently have room during the winter break, the first installment for the spring semester is still due on January 15. If you are a beneficiary of financial support, the January contribution will be deferral of cash until the date of payment of the first financial support, the January contribution will be deferral of cash until the date of payment of the first financial support, the January contribution will be deferral of cash until the date of payment of the first financial support, the January 15. If you are a beneficiary of financial support, the January contribution will be deferral of cash until the date of payment of the first financial support, the January contribution will be deferral of cash until the date of payment of the first financial support, the January contribution will be deferral of cash until the date of payment of the first financial support, the January contribution will be deferral of cash until the date of payment of the first financial support in the first financial support in the January contribution will be deferral of cash until the date of payment of the first financial support in the January contribution will be deferral of cash until the date of payment of the first financial support in the January contribution will be deferral of cash until the date of payment of the first financial support in the January contribution will be deferral of cash until the date of payment of the first financial support in the January contribution will be deferral of cash until the date of payment of the first financial support in the January contribution will be deferral of cash until the date of payment of the first financial support in the January contribution will be deferral of cash until the date of payment of the first financial support in the January contribution will be deferral of cash until the date of payment of the first financial support in the January contribution will be deferral of the first financial support in the January contribution will be deferral of the January contribution will be deferral account information, log in to the SF state gateway. There you will find information about the operation of the Account, Term now and Future payment. View the payment schedule for payment amounts. How much of the resident's housing costs are covered by financial support? When you receive your space approval, sign up for the San Francisco State Gateway and look at the fee schedule to determine whether your planned financial support net payout is enough to cover actual housing costs. Do not assume that housing expenses directly. Please note that since housing and financial support operates slightly differently on the time scale, it can be difficult to determine how much financial support could go against resident charges. If financial support does not pay the total amount per semester, the student is responsible for paying the remaining balances based on the timing of the commissions. A statement of financial support from the San Francisco State Office for Student Financial Support will begin sending financial support their To Do List requirements. Be sure to view your To Do List at your San Francisco State Gateway to ensure that your Planned Financial Support Net Disbursement will be paid out. If not completed your To Do List can cause delays in financial support costs and late payment for housing from; The planned cost of housing costs is paid only after tuition and fees are paid. Every semester, Financial Aid will try to pay tuition and fees in the first place, any balance of the cost will be applied to other university fees, such as housing installments and/or housing first-time and/or housing eating plan installments. First-Time Borrowers Students who have accepted a federal Perkins loan or federal Direct loan (subsidized or unsubsidized) must complete their To Do List, including first-time borrowers Master Promissory Note and Entrance Loan Counseling. Refer to your San Francisco State Gateway to ensure that your loans are disbursed. Parent PLUS loan as part of a financial support grant, parents must approve the Parent PLUS loan through the Department of

Education beginning July 1. We recommend that parents with the best credit history apply for a loan. If denied, the parent can get a visionary. If the property cannot be secured, the student may request an additional unsubsidised loan in writing to the Student Financial Support Office. The parent undertaking must take all further steps to ensure that the underlying loan is disbursed. See The List of Tasks found at the SF's national gateway to ensure that the parent PLUS loan costs. Miscellaning fees Ineligible fees – no financial support will be paid: some of the costs included include: o Security deposit o Deposit o Charge for payment o Main charge o Parking fee o Late fees: Late Move-In. If the late transfer documents repeated to pay the cost of housing according to the schedule of fees and their late transfer documents. Please contact the Financial Support Office for further assistance. If a third party has agreed to pay the resident's house and requests an official university bill, on order to in order to one the cost of housing according to the schedule of fees and their late transfer documents.
