SIGN UP and DOWNLOAD FREE Books Books Description #1 NEW YORK TIMES BESTSELLER and now MAJOR MOTION PICTURE Shocked teenage violence she witnessed during the Rodney King riots in Los Angeles, Erin Gruwell became a high school teacher rampant with hostility and racial intolerance. For many of these students, who included drug addicts, gang members, the homeless and abuse victims, Gruwell was the first person to treat them with dignity, believe in their potential and help them see it for themselves. Soon their loyalty to their teacher and burning enthusiasm to help end violence and intolerance became their own force. Inspired by reading the Diary of Anne Frank and meeting with zлата Filipovic (an eleven-year-old girl who wrote about her life in Sarajevo during the Civil War), the students began a joint diary of their urban upbringing. Said through anonymous recordings to protect his identity and ensure complete frankness, the Freedom Writers Diary is filled with startling vignettes of 150 students who, like civil rights activist Rosa Parks and Freedom Riders, heard society tell them where to go and refused to listen. Proceeds from this book benefit the Freedom Writers Foundation, an organization created to provide scholarships for disadvantaged youth and to train teachers SIGN UP and DOWNLOAD FREE Shocked Teenage Violence She Witnessed During the Rodney King Riots in Los Angeles, Erin Gruwell became a teacher in a high school rampant with hostility and racial intolerance. She intercepted a note with an ugly racial caricature and angrily claimed that this was what led to the Holocaust. She was met with incomprehensible glances - none of her students had heard of one of the defining moments of the twentieth century. So she rebooted the entire curriculum, using cherished books, such as Anne Frank's diary, as a guide to combating intolerance and misunderstanding. Her students began to write down their thoughts and feelings in their diaries, eventually calling themselves Writers of Freedom. Comprised of powerful entries from students' diaries and narration by Erin Gruwell, the Diary of Freedom Writers is an unforgettable story about how diligence, courage and determination changed the lives of the teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired the main film Freedom Writers. And now, with this twentieth anniversary edition, readers are brought to date about the lives of writers of freedom as they combine irreplaceable takes on social issues with raising the history of college attendance, and watch their own children follow in their footsteps. The Diary of Freedom Writers remains a vital read for those who believe in a second chance.
