If you have already watched the movie and now want to play something like that, you came to the wrong place. There are no super racing scenes or battle arenas in this game, it's a kind of puzzle game. The primary mission of the player is to make the other player hit something. You control a snake-like creature that moves all the time. Your mission is not to hit anything on your way, including your own body. Some people may say it's a boring game, but don't trust them, try Tron Unblocked right now. The game offers you two modes - A Single Player mode where you will play against AI and a multiplayer mode to play against your friend. Remember that both players should play from the same keyboard. The game is very addictive and will definitely give you some fun pastime at school or at work. Review the controls below and start playing right now. Have Fun With Us
