## I want to marry a lighthouse keeper lyrics

I want to marry a lighthouse keeper and keep him company. I want to marry a lighthouse keeper and live on the side of the sea. I polish his lamp in daylight so ships can find their way at night. I want to marry a lighthouse keeper, won't that be good? We take walks along the moonlit bay, maybe also find a treasure. I'd like to live in a lighthouse: What about you? I dream of living in a lighthouse, baby, every day. I dream of living in a lighthouse, a white one by the bay. So if you want my dreams to come true, become a lighthouse keeper, do it! We can live in a lighthouse, a white one by the bay-ay-hay. Isn't that going to be okay? Ya-da ta-da-da. Page 2 I want to marry a lighthouse keeper and keep him company.
