## Praxis 5421 study guide pdf

In order to continue to enjoy our site, we ask you to verify your identity as a person. Thank you very much for your cooperation. Curriculum Professional School Counselor, Interactive Practice Test Use this interactive practice test to prepare for a professional school counselor test (5421). This full-length practical test allows you to practice answering one set of authentic test questions in an environment that simulates a test delivered by your computer. Test practices are timed just like a genuine test and makes it easy to move from question to question to simulate what you will experience on Test day. Once the test is complete, you can also see the correct answers and explanations for each correct response and view the results by content category. Note: There is only one version available for each test title, so every time you're about taking a practice test, you answer the same questions in the same order. Re-testing one practice more than once does not give you different practical questions or change the order of delivery of questions. Buy Now's Praxis Professional School Counselor test is an exam used to assess your required knowledge, skills and abilities as an entry-level school counselor, a K-12 school counselor. School counselors need to demonstrate their understanding of specific ethical and professional standards, and the Praxis Professional School Counselor test was designed to evaluate your knowledge of these standards according to the American Association of School Counselors ASCA National Model. The Praxis II Professional School Counselor exam (5421) is designed to assess the readiness of entry-level school counselors to serve in this capacity. This computer exam lasts 2 hours and includes 120 questions with the selected answer. There may be some issues included that are not counted in your account. Keep in mind that your account is based on the number of issues you get right. There will be no deduction of points for the questions you answer incorrectly, so even if you are not 100% sure of the answer to the question, always make an educated guess. Accommodation is available to individuals with conditions that meet the requirements of the Americans with Disabilities Act. You must apply for these properties before registering for the exam. Some of these test spots include a small group setting, Braille test materials, large printed test materials, extended test time, hand magnifier, seat cushion, extra breaks and section omissions There are 4 areas to be evaluated on this exam. Areas: Funds – 18% Service Provision – 45% Management – 15% Accountability – 22% By Fund Category, Topics That Will Evaluate role and history of vocational school counselor, human growth and development, ethics and legal issues. In the Service Delivery category, topics to be evaluated include recommendations and counseling and advice and collaboration. In the Management category, topics to be evaluated include the use of technology in terms of guidance and counseling, how leadership and school programs affect the full learning process, everything from creation to implementation of a leadership program and counseling, how the leadership and counseling program affects at-risk students, as well as direction management. According to the Accountability category, topics to be evaluated include the need for accountability regarding management and counseling, program goals and methods, the use of assessments to improve the program, data collection methods, various types of evaluation, standardized testing, measurement principles, validity and reliability, interpretation of different assessments, and how cultural, language and inoperable factors affect performance, placement, and interpretation. What is the most convenient way to register for an exam? Registering online and paying with a credit card, debit card or PayPal is the most convenient method. Once you have signed up, you must print out your entrance ticket and take it with you on the day of the exam. If you can't sign up online, you can do so by mail using the verification voucher request form or by phone. If you choose to use the phone option, you must be charged with a credit card or debit card and you will be charged an additional \$35 fee. What is the cost of the exam? The cost of the praxis II vocational school counselor exam is \$120. If you take an exam in Nevada, a \$5 surcharge will also apply. What are the testing sites? The test is offered at various facilities around the world. Find the nearest geographic location. What to do on the day of the exam? Bring your entrance ticket and a valid (non-person or overdue) identification form that includes your name, signature and photo. Examples of acceptable forms of ID include passport, passport, driver's license, national ID and military ID. If you present an identification form that does not have your signature, you will need an additional ID. Acceptable forms of additional ID are student identification or a letter from your school verifying your identity. The Testing Center supplies you with pens and/or pencils, so you don't have the right to bring your own. In addition, personal items such as mobile phone, calculator, handbag, briefcase, water bottle, training materials, tablets and jewellery (excluding wedding rings/wedding rings) are also banned from the testing area. What happens after How I'll take it will receive an unofficial test report on the screen immediately after passing the exam. Two to three weeks after passing the exam, your official assessment report will be available for review. What happens if I don't take the exam? Great news! You will have the option to re-pass the exam once every 21 days, not including the initial test date. How can I prepare for the test of a professional school counselor at Praxis? That's the big question. We broke the answer into three parts. Do yourself a service and learn. Do not go unprepared. We recommended prep materials below, but it only helps if you really try it. In addition, learning actually proved to be the best antidote to test anxiety. Take care of yourself. Make sure you eat well, exercise, and sleep. All these things are scientifically related to brain performance. If you care about your body, you will help your assessments. Get a tutorial or a set of cards. Some people study better in a certain way. Find your research strengths and make the most of them. We tried to make it easy for you by tracking the best tutorial and card set for your exam. Below you will see links to both! Tutorial Flashcards Last updated: December 31, 2019 2019
