Lost girls and love hotels plot

Thank you for visiting my fundraising page. This March I'm walking 10,000 steps a day throughout the month to help beat cancer sooner. Help me walk on cancer and fund life-saving research by sponsoring me. Jump to the main content

The capital of Bavaria has you covered when it comes to where to stay. September 21, 2018

Courtesy Roomers

Munich could conjure visions of breweries, pretzels and Dirndls, particularly around Oktoberfest, but the city goes far beyond its Bavarian tropes, especially when it comes to the hotel scene. There are plenty of classic hotels that embrace the luxury and tradition that adapt to the Bavarian capital, but there are also a number of surprisingly modern ones, ranging from minimalist to mid-century inspired. Here, our favorite hotels in Munich for your next trip, whether you're celebrating Oktoberfest, buying Christmas markets or just taking a look at the city. Although there are dozens of hotels in the Old Town, only a few overlook the historic Viktualienmarkt, and the Louis Hotel is arguably the best. This design hotel offers a taste from Japan to Munich, literally with Emiko Restaurant serving Japanese cuisine, as well as Japanese art prints hanging in rustic and modern rooms. In the evening, guests can enjoy a cocktail on the rooftop terrace. Opened in 1841, this great lady oozes 19th-century sophistication at every turn. It is located in the neoclassical Montgelas Palace in the old town, built as a private residence in 1813, although it has been carefully updated over the years, most recently by designer Axel Vervoordt. You'll want to book a table at the hotel's three-Michelin-star Atelier restaurant and have a drink at Falk's Bar in the palace's mirror lounge. (For the first place, there are four restaurants and six bars and lounges here in total.) With its elegant modern décor, Roomers Munich is without a doubt one of the most elegant hotels in the city. It attracts guests not only with its vibrations, but also with its popular Izakaya Asian Kitchen and Bar, which is also popular with locals. Keep your eyes peeled here, there's a secret drinking spot called Hidden Room that's been known for hosting some wild parties. Although the hotel is a mile from landsbergerstrasse's Old Town, it is across the street from the historic Augustiner Brewery and just a 15-minute walk from the Theresienwiese grounds. The majestic Hotel Vier Jahreszeiten Kempinski was built in 1858 near the Bavarian State Opera house in the Old Town as a symbol of modernity: it offered high-tech services such as running water (water to boot!) and gas lights. Throughout its 160-year history, it has stayed with the technological curve, as well as maintaining its status as one of The Most Prestigious Hotels in Munich. While the rooms are on the modern side, the lobby retains its old world with wood-paneled walls and an amazing stained-glass ceiling. Make a reservation

With only 19 rooms, BEYOND by Geisel is an intimate boutique hotel that has quickly earned a reputation as one of the best stays in Munich since its opening in 2017. The elegant warm-coloured rooms focus on a shared kitchen (guests can use the facilities themselves, or have a private chef cooked for them), a living room and a wine room. The hotel also has one of the best locations in the city, it is right on Marienplatz, opposite the New Town Hall. Readers' Choice Awards 2017

Emembering Munich's old sensibility, the product of Bavarian legacy and reconstruction after World War II, the Platzl Hotel in the Old Town combines Bavarian charm with modern comforts. Its outstanding features are its romantic Moorish-style spa and Pfisterm-hle restaurant, housed in a restored 16th-century flour mill serving traditional yet exclusive Bavarian cuisine. Make a reservation

Readers' Choice Awards 2017, 2018, 2019, 2020

Over the old botanical garden outside Munich's Old Town, the Charles Hotel is located between the main train station and the Kunstareal museum district, each of which is just a five to ten minute walk away. Although it was built in 2007, the 160-room hotel takes on the indications of Belle Epoch-style architecture on the Costa Azul, giving a sense of classicism to the modern space. The beautiful spa features Munich's longest indoor lap pool, a steam room and a Finnish sauna. Make a reservation

Despite being part of the Mandarin Oriental family of hotels, Munich's outpost feels more like a boutique property, with 48 rooms and 25 suites designed in the aesthetics of the East-influenced brand. It is located in the old town right next to the famous Hofbra-haus brewery, a great place (albeit touristic) to eat and drink; Although for a dining experience, you may want to try the hotel's Matsuhisa restaurant, part of Chef Nobu Matsuhisa's empire. Although the medd pads (and Blanche's hair) continued to grow for the season, it's amazing how many The Golden Girls stand the test of time. Stories of friendship, relationships and family are absolutely timeless. And despite the occasional trend of the 1980s, we believe that his home in Miami, Florida, also endures. These are just a few of the things we love about place Blanche, Dorothy, Rose and Sophia called home.

1. Bamboo furniture in ABC Photo Archives living room Nothing says Florida like bamboo furniture with pastel cushions.
2. Chinese Chippendale chairs at the ABC Photo Archives kitchen table Nod with the of the living room without repeating it and offer a sophisticated place to gossip on cheesecake. Similar versions are available in Ballard Designs and through Jonathan Adler.
3. Blanche ABC ABC's fabulous jungle-inspired bedroom Files The wallpaper headboard matches the duvet perfectly. (Of course, Blanche would turn that phrase into a sense.)
4. All the tchotchkes on the walls of the kitchen ABC Photo Archives Although this is decidedly '80s, takes us back to our parents' kitchens, especially copper baking molds.
5. Its adorable ABC Photo Archives patio set Floral metallurgy adds a lovely touch to lanai.
6. The detailed front door ABC Photo Archives We appreciate the large door knob and the old finish.
7. And, of course, the exterior The spacious one-floor house had a modest charm. This photo, taken by Flickr user Loren Javier, shows the real-life home used for outdoor shooting. It is found in Brentwood, California. This content is created and maintained by a third party and imported on this page to help users provide their email addresses. You may be able to find more information about this and similar content in piano.io @talisa_sutton just as it began to feel like New York Fashion Week was gaining momentum, the fashion set has left its hotels and vacated Manhattan for the next stop: London. The British capital hosts publishers, models and influencers from 14 to 18 September, but don't let the brevity fool you, it will still be competitive to write down a room in one of the best boutique hotels. To discover London's hot spots to know, we ask locals working in the fashion industry to share their little black books. And boy, they suggested some jewelry: From the dreamy four-poster bed and the standing tub at Artist Residence to the blushing bathroom and velvet beds at Hotel Henrietta, your list of London's coolest boutique hotels has as much to do with décor and travel. We call it: These are the places you can see this year during London Fashion Week. @talisa_sutton Chances are you've seen Artist Residence images on Instagram before. The boutique hotel is very photogenic, with glass pendant lighting, exposed brick walls, claw-foot bathtubs and wrought-iron canopy beds. Each of the 10 bedrooms is unique, so be sure to request one if there is a particular space you love. Artist Residence Hannah Matcha We are not the only ones who love the French style. It seems that the British are equally in love: the French-owned Henrietta Hotel is a local access point that oozes a modern Parisian-inspired design. The Covent Garden hotel is a newcomer to the London scene, but has quickly become a favorite of celebrities and influencers. Velvet furniture, Brushed brass and playful blush pink baths make it a memorable place to stay. Hannah Matcha

The Ned The Ned is named after designer Sir Edwin Ned Lutyens, who designed the heritage building in 1924. The Soho House outpost oozes polished style from the 1920s and 1930s, spanning 252 bedrooms and nine restaurants. Stop by the Nickel Bar below to see a celebrity, the it's frequented by it girls and influencers alike, and you don't have to be a member to get in. Egg Canvas's Ned The London Edition Erica Choi registers with The London Edition when you visit the UK, and we can certainly see why it's your hotel of choice. The lobby is a spectacle, with a giant egg-shaped mirror pendant suspended from the ceiling, intricate heritage moldings and emerald green plush sofas. The rooms are comparatively decayed, with wood paneling, crisp white linen and a strange shot of faux fur. Located in the middle of Soho, a three-minute walk from Picadilly Circus, this five-star hotel is ideal for those who want to stay in central London in a warm and welcoming location. The unique aesthetic of proprietary designer Kit Kemp defines the space, with patterned carpets and upholstered furniture decorated side by side with colorful art. All rooms are individually designed and most have floor-to-ceiling windows with panoramic city views. Located in Shoreditch, in the heart of East London, Ham Yard Hotel The Hoxton is a budget boutique hotel that doesn't compromise style. Choose from three room types (Shoobox, Cozy and Roomy) or request one of nine concept rooms, each individually decorated by a local artist. The hotel group has just opened its first offering in New York, a quirky boutique opening place in Williamsburg. Look at this space. The reasonably priced Hoxton Ace Hotel Another Shoreditch, Ace Hotel is conveniently located just a 10-minute drive from the London Museum and Barbican Art Centre. The rooms are quirky and creative: think of exposed lace lights, monochrome artwork and graphic duvets. Ace Hotel The Curtain Do you feel a little nostalgic? Check into The Curtain is a daring hotel with Brooklyn-style exposed brick walls and Red Rooster Restaurant, which serves harlem-style soul food. Don't miss the stunning rooftop pool or member club in the basement. The Curtain Chiltern Firehouse Chiltern Firehouse may not be the new hot hotel on the block, but it's still a celebrity favorite. The Daily Mail states that all A-listers are desperate to be seen at the London restaurant, which has attracted a long list of famous faces, including David and Victoria Beckham, Rita Ora, Cara Delevigne and Hailey Baldwin. The hotel is owned by tycoon André Balazs, who also owns Chateau Marmont in Hollywood and Mercer in Manhattan. Chiltern Firehouse Gucci Brixton Leather Horsebit Loafer \$790 Store
