This is a story all about how my life got flipped turned upside down lyrics

Now this is the story of how, my life turned upside down, and I'd take a minute, just sit right there, tell you how I became the prince of a city called Bel Air. In West Philadelphia, born and raised in the yard is where I spent most of my days. Chillin's out, maxin', relax all cool, and they all shoot some B-ball out of school. When a couple of guys who weren't up to it, started having problems in my neighborhood. I got into a little fight and my mom got scared, and said, You're moving' with your aunt and uncle to Bel Air. I whistled for a taxi, and as it approached, the license plate said cool and had dice in the mirror. If anything I could say this cab was weird, but I thought don't forget, yo at Bel Air home. I approached the house about seven or eight, and I called the taxi Yo homes, smelling already later. I looked at my kingdom, I was finally there, to sit on my throne as the Prince of Bel Air.
