NOTE: To set up the Timer for the first time, connect the timer for 10 minutes, and then press the Reset button to delete all settings. To use the digital Slide Switch timer to timer to set the current time while the time appears in the LCD. • press the Set Time Date button. The time display will blink. (If the display no longer blinks before it finishes, press Set Time to continue again.) • Press the Day button until the current day appears at the top. • Press the Time button until the current time appears. Be sure to cycle hours until AM or PM appears to the right time. • Press the Min button until the current minute appears. (Pressing the Min button will make the minutes move quickly.) □ Press the Set Time button to finish the program – the display will no longer blink. (If it doesn't blink before you press the button, that's fine.) To set the program's slide switch to Timer- Make sure you set the current time first (see left) • press the Mode once button. The words Program #1 ON will appear. • press the Set Time Date button. The time display will blink. (If the display no longer blinks before it finishes, press Set Time to continue again.) • All days of the week will appear at the top. This means that the on/off hours you set will run every day of the week. To have the program run only on certain days, press the Day button to browse through the different day options. Elections in order are: MO TU WE TH FR SA SU - all weekdays MO TU WE TH FR SA - Monday to Saturday MO TU WE TH FR - Monday to Friday SA - Saturday and Sunday only • press the Time button until the desired time appears ON. Be sure to cycle hours until AM or PM appears to the right of time. □ Press the Min button until the desired ON-MOMENT appears. (Press the Set Time button to finish the program - the display will no longer blink. (If it doesn't blink before you press the button, that's fine.)) Press the Next Program button. The words Program #1 OFF. • Repeat • - (to set the time OFF. • Press the Mode button to finish the program and return to the current time. Now you're done setting #1 program. To set additional programs, press Mode to enter programming mode, and then Next Program to get to Program 2, 3, etc. Up to 6 programs can be introduced. NOTE: The digital timer is turned on and off when the current time corresponds to the time set in the program and is not retroactive. This means that if the current time is 5pm and you set the timer to start at 4pm, the program will not run until 4pm tomorrow. General instructions for packaging and use: A wiring device seasonal outdoor activities must contain all the following equivalent declarations or declarations (following the word WARNING) on the area of the smallest unit pack or on a sheet or label (or its equivalent): • WARNING – Fire risk. Not for permanent installation. Use only with a total of 12 ampere maximum Christmas-pom or other seasonal lighting products. Do not install or use this product for more than 90 days. • If you use Christmas tree or decorative lighting products that are not marked with an ampere rating, connect no more than 140 basic screw lamps (C7 or C9) or 12 strings with midget (pushing) lamps to this cable set. • Cable sets must be connected to a GFCI-protected container. • If you are using a set of outdoor cable for a long period of time (more than 90 days), please consider wiring a permanent outdoor storage container rated for year-round use in the area where energy is needed. Please contact a licensed electrician for the correct installation of permanent cables. □ After completion of installation, the connector must be kept at least 6 centimeters above the ground. (For temporary outdoor installation and use - Must not exceed 90 days 15Ft. (4.5m) AWG 12/3 SJTW Rated 125V/15A/1875W/60Hz 6 -Outlet Yard With Dual Timers All Weather 6-Outlet Safety Power Station with Digital Photocell Timer & Programmable 7 Day Digital Timer MO – Monday Only FR – Friday Only TU – Tuesday Only SA – Saturday Only WE – Wednesday Only SU – Sunday Only TH – Thursday Only is the registered trademark of The Stanley Works and Subsidiaries. Produced under CNC license. Distributed by: NCC, Inc, Brooklyn, NY 11220 • www.thencc.com • MADE IN CHINA To use the Photo Cell Timer Slide Switch at Photo Cell • press the Mode button once. You'll see the words At Dusk, OFF 0:00 At Dawn. This means that the connected devices will turn on when it gets dark and stop at sunrise. • Press the Photo Set button repeatedly to browse the various Dusk to Dawn options. Devices may start at dusk and turn off from 1 to 12 hours after dusk. • Press the Mod button once to finish the program-ming. It's okay if the current time displayed is not correct; Photocell timer will still work correctly. If you want, you can set the current time by following the instructions on the left. Manual On/Off The timer can be turned on or off manually as you want. • Press the ON/OFF/AUTO button to change the current mode to On, Off, or Automatically (follow the timer settings). Ni-MH battery included. 10Min Charge keeps the program for up to 1 month. Full charging is stored for more than 2 months. Contains Ni-MH battery (nickel metal hydride). The battery must be recycled or disposed of properly. Service Assistance: Toll Free 1-800-730-3707 Interactive Programming & Operating Tutorial available online at: www.thencc.com Ni-MH Some of the previous responses refer to a domain name (thencc.com) that apparently no longer exists. Exists. answer provides instructions for a timer that appears to be different from the 28011 model. I was able to find the instructions for Westinghouse 28011 at the following link: Elite series, variable pump control speed, injection pump control for hydronic heating in outdoor reset applications or point set Westinghouse timerannals 2 outdoor timer target manual 28011 forest timers lighting 50029 instructions lewisburg district umc to schedule and set time on automatic electric you simple modes a plug 12 steps with images 6 remote ground control stakes Westinghouse Timers Westinghouse 2 outdoor Timer Target Target Westinghouse Timers Westinghouse Timerhouse Manual 2801 1 Outdoor Timers Westinghouse Timers Woods Lighting Timer 50029 Instructions Lewisburg District Umc Westinghouse T26433 For Woods 15 Amp Outdoor Plug In Photocell Light Sensor 6 Yard Stake Timer With Ft Cord Green 13 547wd Home Depot Westinghouse 3 Outdoor Heavy Duty Digital Photocell Timer Instructions Hunker Lights Bn Link BnNd 60 U57 Manualzz Woods TimerannalsWestinghouse timerannals 2 outdoor timer manual 28011 forest timers lighting 50029 automatic electric instructions simple ways to set a plug 12 6 remotely I have a westinghouse 2-outlet outdoor timer photocell #28452. I have misplaced the instructions for setting User Manuals, Guides and Specifications for the Westinghouse GS606 Timer. The Terms of Privacy, AdChoices, Fss-Help>About Answers,Community Guidelines-Knowledge Partners,Points & LevelsSend Feedback, Mission Alter Ego a Fortnite Chapter 2 will cause players to complete a variety of unusual tasks after completing weekly missions. After completing the three missions, players will be tasked to Summit the highest mountain wearing the journey outfit. If you are struggling to figure out how to get the Journey outfit, or what is the highest mountain in Fortnite. fear not, we will guide you through every step. Fortnite's Highest Location Before you get around to how to summit the highest mountain, you'll first have to make sure you've got Journey Journey Unlocked. Unlocking Journey vs. Hazard Outfit Journey (short for Journey vs. Hazard) is immediately unlocked as soon as you buy Battle Pass for Fortnite Chapter 2 Season 1. As long as you've got Battle Pass, all you have to do then is head to the Locker tab, and select to equip the outfit from all the ones you've unlocked or bought. Where at the Summit the highest mountain in Fortnite Chapter 2 The highest mountain in Fortnite Chapter 2 can be found in the southeast of the map. Specifically, you want to head east from Misty Meadows and to the weather station where you had to dance for the Forged mission in Slurp, which was launched last week. To the east of the weather station, you will see a snowy peak with a yellow flag at the top. This is what you want to land next to, after indicating the flag, is the highest mountain in Fortnite. You'll also find once you've landed here that this is actually called Mt. Kay. As long as you wear Journey outfit when you reach Fortnite's highest mountain, you'll tick off this Alter Ego Mission challenge. Now you're one step closer to receiving that sweet reward. That's all you need to know about to summit the highest mountain. For more tips, tricks, and guides, be sure to head to our Chapter 2 Season 1 wiki guide, search for Twinfinite. Twinfinite.
