At the first start of the game, the player is found on the train. The rover, the cat, approaches the player asks different questions. In addition to selecting an urban layout from a series of maps, character naming and city, these questions will determine what type of face, hair and clothing the player will have when he steps out of the train station. The shape of the eye is permanent and cannot be changed, although the hairstyle and eye color can be changed to shampoo when unlocked. Below is a list of all possible options for different faces that a player can have a character. 1. Reply 2. Answer 3. Answer 3. Answer 3. Answer 8 ye live never been there before. I'm moving. I'm sure I'll be fine, I've never been there I can't say! How'd you know? I don't remember moving. No, it's not that, I don't remember, I don't know, I don't think I'm going to remember, I don't know, I'm going to let fate decide... It's a secret! You've got it! It's a secret! That's where I'm moving. I'm serious. Within the framework of construction guides, Community content is available under CC-BY-SA, unless otherwise stated. Share In New Leaf, the player can change the color of the eye using contact lenses. The option is available via Harriet in Shampoo when it is open for 14 days and the player has had at least one hair.
