

## Delivered from the power of darkness

The power of darkness can be seen in its effects, and for those who have been delivered ... from the power of darkness these effects would be less and less evident in life. The power of darkness your light of sleep - we should awake. The power of darkness is gualified in consequence - we should be less and less evident in life. man - we should have the joy of God. The power of darkness is a cover for evil - we should be fascinated with the things of God. The power of darkness, He put us in His Son's kingdom. Paul used the word lived to describe this work. According to Barclay, the words we translate translated had a special meaning in the ancient world. When one emptied conquered another, the custom took the population of the emptidom to beat and transfer it completely to the conquered country. It is in this sense that Paul says we were watching in the kingdom of God. All we have and all we're doing now is for him. Remember, in Jesus Christ, we are delivered from the power of darkness. Satan may tempt you, but you are not under his power. He can attack and we must fight him, but we are not his slaves. He's not our boss, he has no right on us. We don't have to obey Satan – we have been delivered from his power! If you ask many Christians what Jesus did for them in the cross, they would probably answer, 'He died for my sins. As true as this statement is, it does not come close to covering all that Jesus has accomplished for my sins, but while 'for my sin was only part of what Jesus accomplished and if we limit His work to just that aspect, we will miss out on many of the amazing things He has accomplished for us. God wants us to receive and walk through all that He has done for us, not just a part of it and push the rest away! Some Christians are struggling to get free of things, having difficulty getting answers to prayers in areas of their lives, and all the time they feel like God is holding back or holding out on them. They have the attitude, 'I'm waiting for God to do this or that for me' (for example to say, 'I'm waiting for God to heal me) the problem is not that God has not done it, or that we are 'waiting' for him to do' but rather that we have not gotten the revelation of what He has done and not walked in the light of truth. John 8:32:32 And ye shall know the truth, and the truth shall be delivered. There is freedom of truth. The truth of what Jesus has accomplished for us. The reality of this doesn't have the 'sunshine' of many people. We don't see how powerful truth is and how powerful the revelation of truth is powerful. We think we'll see the truth, then we'll have to sit down and wait for God to fulfill it. What it even is an area we haven't seen the truth in! It's a truth that when we come to the place of seeing the truth for what it is, and seeing what Jesus has accomplished for us, we're walking out of a lot of things we've freached with. The main reason that many people do not walk through all that God has done for us in Christ is not that God holds back, but rather that we need to learn to receive and walk through it at our end, and that is connected to see the truth of It. Many trying to get God to do what He has already delivered them from, is that they have not seen him yet the way God did it. They are still waiting for God to do it, when the Bible reveals that it is done in Christ. If the Bible shows that God has done it, then that is the truth for what it is! It is important that we see the truth 'the way' the Bible presents it. God chose to put some of the specific tension he had done, and we need to keep him in that tension. Look at the reality of what has been accomplished for you, rather than trying to look at God to always do it. There is freedom is in the revelation of the truth of what has been accomplished for you, rather than trying to look at God to always do it. There is freedom is in the revelation of the truth of what has already been done for you in Christ. This topic is a vast one in itself, and one that needs to be more careful than it has given to the church. In this article, we will take the time to look at an aspect of the truth of what Jesus has already accomplished for us and how we can walk through it. Colossians 1:12-13:12 to the Father who qualifies us to participate in the holy inheritance of light.:13 He delivered us from the power of darkness and crossed us into the kingdom of His Son,:14 where we have redemption through his blood, forgiveness of our sins. These stereo are written in Christians, those who believed on Jesus and received him. Notice that tension is being used. Does he say that when we receive Jesus we now have to watch Him 'deliver us'? No, it's not to say that, but that's how many Christians see it. Many Christians are walking in 'waiting' for God to deliver them, when this passage says it give us salvation. Notice 12', '... The Father who qualified us ...' and vessel 14, 'by whom we have redemption.' Does this tell you something God will do 'for you, that you must believe him for and pray 'happen', or declaring something that we already have? That's saying, 'He has' and 'we have' him! If we already have it, then it is 'we', it is in our possession already. The whole focus of these straps in Colossians is to show us something that God has already done for us (past tensions) and that we already have. This is the truth, however despite that fact, many Christians are walking around acting and talking like they don't have that stuff anymore! The problem is that instead of believing what God says, we will want to 'see him' with our physical eyes before we believe what God says, the way he has said that, we are on our way to walk in his plains, then we will see him. But the belief it comes before with God. John 20:24-29:24 Now Thomas called Twin, one of the twelve, was not with them when Jesus came.:25 The other disciples therefore said unto him: We saw the Lord. And he said to them, Unless I see in his hand, print the nails, and put my finger in print the nails and put my hand in it, I will not believe. :26 And after eight days his disciples were inside, and Thomas with them. Jesus came, the doors were shut, and behold my hand; and put forth thy hand here, and put it in my side. Don't believe, but believe. :28 And Thomas answered him and said to him, 'My Lord, my God! :29 Jesus said to him, Thomas, because you have seen me, you believed. Blessed are those who have not yet seen and who have not yet seen and who have seen me, you believed. Blessed are those who have not yet seen and who have seen me, you believed. Blessed are those who have not yet seen and who have not yet seen and who have not yet seen and who have seen me, you believed. attitude? Did Jesus recommend him take that approach? not at all. Later, Thomas was found to see Jesus, but Jesus told him to cut down and called him, 'mocking' (127) to capture the attitude that he had to 'see him first'. God is looking for those who will have sufficient confidence in Him and His Word that they will see it in the Word and believe it so just because God has said it so. That is a very important part of walking into this truth. When you see in the Word of God that God says he has delivered you, the reality of your deliverance will soon become visible to the physical But if you do reject what God has said and keep your own mind about it, declare that you are not salvation, because you no longer see him then you will contradict God. How can we expect God to move us as we push His Word of God, but we must also believe him the way and reject what he says? Not only must we believe the Word of God, but we must also believe him the way and reject what he says? he said that, in his tension, he said so. He declared it 'like doing' not like something we are still waiting to 'must do' there mass of Christians throughout this planet who always seek God, 'do it' for them. Now let me ask you, why should God 'redo' what he has already done? When did Jesus accomplish these things for us? Things were part of what he did on the cross. He did it then. So if we expect him to redo them, then we expect him to come back to the cross' and do it again! Even if he went back to the cross (He won't!) with his REDID, would we answer any way we're responding now? No we wouldn't. No matter how many times Jesus went and 'did it' we would always be sitting around and saying, 'I'm waiting for God to do it' because instead of the Word of God. The whole power of Jesus sacrifice on the cross is in that he only made it a Times. What was enough to 'do it' AllIt is not something it must be 'redo'. Whenever a sin-evil person needs to receive deliverance, Jesus no longer has to return to his house, so that he may buy it for them. No, he did it, now it's just up to people to receive what he did. The same is true with any other part of what Jesus did. He did it, now it's just up to people to receive deliverance, Jesus no longer has to return to his house, so that he may buy it for them. No, he did it, now it's just up to people to receive what he did. have to relax and 'redo' him every time we need to receive it! The reality is that 'it is done'. The work was accomplished. God has done it and gave us these things in Christ, and as we learn the truth of what He did' and see what He has given us, we can begin to realize, 'He is me, I have it'. God gave me it to me. I'm not waiting to get delivered, I deliver. I'm not expecting to be redeemed, I'm redeemed. I'm redeemed! There is this power of truth. The powers put people free of things they've struggled with for so long. What has caused Christians to lite is not that it is 'already' fulfilled and gives us to Christ. Let's return to the passage of the Colossians to start looking at a specific aspect what Jesus has done for us and that 'is us' now already: Colossians 1:12-13:12 give thanks to the Father who qualifies us to participate in the holy inheritance of light.:13 He delivered us from the power of darkness and crossed us into his Son's kingdom,:14 in that we have redemption through his blood, forgiveness of sins. According to this, if you received Jesus, then God' saved you from the power of darkness. The kingdom of death, asthma and suffering. Among other things, it includes disease, poverty, defeat. Darkness represents everything the devil is to say everything he stands for, just like 'light' represents everything God is and everything God stands for darkness is the real that those who walked through when He did sin and walk away from God. All the pain and suffering on this planet are caused by the fact that this man walked out of God's pain in light and into the kingdom of the devil in darkness. Darkness and death are connected throughout the Bible (for example: Matthew 4:16; Luke 1:79) Does God say that when you become a Christian that you always have to believe him in salvation to you from the power of darkness, or that he has already done it? As we've seen in this article so far, it is 'already done'. Let's look more in depth of this phrase, 'deliver us from the power of darkness'1) deliver the Greek word translated here as 'release' used throughout the New Testament with the means of 'relief' or 'set free'. The English word 'salvation' literally means to release someone: free or save someone: free or save someone in captivity, difficulty, or evil He can come as a shock to some people to realize it, but humanity has been a slave of death and darkness ever since Adam and Eve did sin in the book of Genesis. We like to think that we are 'our own boss', but the truth is that humanity has lived in spiritual bondage for thousands of years. Even those who have never been oppressed in the natural world by someone else or country have been raised as slaves to sin. This is a spiritual slavery that governed humanity - in every nation, on every continent and in every period of human history. Sin and death are an oppressive master, and it carries with it suffering, disease, poverty, pain etc. All of the most human beings take for granted as 'normal' in life! They are not normal, they are spiritual bondage symptoms of sin. God is not a man who puts men in bondage to do sin and death. He told Adam and Eve that there should be no sin. They thought God was trying embarrassing and keeping these things in hand, they had no idea that God was trying to protect them from for themselves of cruel and sinful suffering. But Adam and Eve decided that they should know better and chose the way of sin, and every man has sinned and yielded to the bondage of sin. Romans 5:17:17 For if no one's offense fought through one, the more people who receive the abundance of grace and gift of righteousness reign in life through the One, Jesus Christ.) According to this, death 'reigned' because of Adam's sins. To govern ' means rule or be of authority Death resulted in authority on this planet on humanity. They directed us to death. It was an oppressive spiritual force that controlled and led humanity. Regardless of how much we tried to get away from it, it could hold onto us and keep our asthma. There is nothing we could do could get us away from him, since he was ruling over us. That's why there were diseases and deaths. Not because of God, not because God wanted him here or put it here, but because people have opened the door to death and allow him to get into spiritual authority on humanity and on this planet. That has never been his intention to be and as a result, God put forth a plan in reversing movement what man did. They fulfilled this planet. That has never been his intention to be and as a result, God put forth a plan in reversing movement what man did. Jesus we receive 'deliverance' from the power of darkness as we have said, to be 'released' means set free of or relief. And so jesus put us to be our saviour from the fight of darkness and death. It is a reality, it is done, not something that it is always 'going to do'. If you received Jesus, then you were salvation. Romans 8:2:2 For the law of the Spirit of Jesus Christ has delivered me from the law of sin and death. Here in Romans we see the same. What God did for me in Christ, 'made me free...' In Christ, we are not under spiritual rule and bondage to sin and death. This oppressive regulation is carried with it disorder, pain, suffering etc. I was a prisoner, but now I'm under a new law, a new fight for me. I am fighting the life. I did not die one time when I died. But now I have been released into the hands of Christ. And now I have put a ruler over this day. Jesus said unto him: Luke 4:18:18 The Spirit of the Lord is upon me, for he hath anointed me to preach the gospel to the poor; He sent me to heal the broken heart, To proclaim the freedom of the captives and recovery of blind eyes, for putting in the freedom of oppressor, but of spiritual slavery and oppression in death. This is gospel truth 2) Dark Power What especially Colossians 1 tells us that we are get off? Colossians 1:13:13 He delivered us from the power of darkness and crossed us into the kingdom of His Son, what do we release or release or release us from? We are delivered from the power of darkness' translation differs in this strait saying the following: The Literal Young Translation speaks of '... the authority of darkness ... 'Conybeare - '... the dominance of ... 'TCNT - '... The tyranny of ... 'Berkley's saying, '... The CONTROL OF ... 'The Authority / Jurisdiction / RIGHT TO RULE ON THE POWER OF DARKNESS HERE SPEAK IN THE AREA HAVING JURISDICTION OVER, THAT DARKNESS IS ENTITLED TO 'RULE'. What is jurisdiction? Jurisdiction speaks of the area that one has authority everywhere. It only has officials where it has jurisdiction. That jurisdiction is limited to his authority. So a policeman in England can't go with fine people in France to drive on the right side of the road – they are not under English law! So he has no rights there. There was a time when we were under the jurisdiction of darkness, before Christ was the right to lead us. He had the 'right' to throne and carry disease, suffering and death, because he was in charge. Death and darkness are profanity, and we have been subject. So we were under it to erase rule. However, Jesus has delivered us.' He settled us out of the jurisdiction of darkness. He moved us out of the jurisdiction of darkness. He moved us out of the set of dark jurisdiction. Now my heart is in Christ, death and darkness have no jurisdiction over me. They have no 'right' to my period. In otherwise, we have put freely into the hands of the devil s rule is a controlled, erased, tyranic system. It is represented by the asthma it brings to life. The devil controls people through disease, lack, depression, but in Christ we are not under this system of control! It's not right! In fact, in Christ, we are the right ones! The devil isn't entitled, we're right! It's important to let these truths flow in and become REAL to you! Let the facts of this statement 'flow in as you read': The Devil has no right' over me. I come from his jurisdiction, so he may not rule any area of my life. I delivered from him An area of the devil 'rule over' people: Labor How God announces Jesus of Nazareth and the Holy Spirit and power, who went on to do good and heal all who were horpressed by the devil, because God was with him. In other words they settle on, or exercise authority over. Who does this vest say to the asthma? 'prepressed by the devil God is not the agepressor! The devil uses the disorder to rule over humans. It's one of the ways he takes authority over people. They become subject to this condition. Disease is part of dark rule and death. Now remember, we as Christians are released to the right of the devil in our rule! He may not rule me out! This included through illness. It is not entitled to exercise authority over me in the real illness. He may not rule me out or bring me to the power of using his illness in my body. I was delivered from his right to do this for me! Whenever you face something, you need to ask yourself: Is this thing of God / the devil?' And - 'Is it entitled to be in my life?' If it is of the devil, he may not!!!! The problem is we are often confused about what God is doing and what the devil is doing. For thousands of years people blamed God for what the devil I am behind! The devil has come to us to accept the things that is in darkness and death is not of God, but of the devil, and of Christ we have been delivered from His power in our lives. We've put free of it's right in our rules. You must allow these truths to sin and become real, and then begin to declare out of your mouth that you are delivered and that darkness may not rule you. You don't need to accept something from the devil that God says has no right to be in your life! Too often we tolerate and allow things to stay, things in our lives that we've released into! If I deliver myself from him, why is it still in my life? Really that's the biggest thing anyone is who's going to deal with. They think that things will 'automatically' leave them just because', and if it's not just automatically left', then maybe God doesn't want him to go. This kind of thinking is abnorable and acriptural. Since we are delivered from these things, why so many don't live free? Why are s so in our lives! We've covered this part above, in the earlier part of this article, now we need to understand this truth as well: Just because you are legally free of the devil is not allowed in our lives, it does not mean that he will not always try and take over! The devil is a rebellious – you are legally free from him, but he will always try to understand your right and push you around – he will try to bring you under his control, even if he has no right. The devil has no right to be in your life, but he will always try if you allow him is an outlaw who will try to continue his policies in your life, even if he is not entitled. The devil's rights were removed, but he is still trying to have his way in your life anyway. This is where many miss it when things go wrong, or when the devil doesn't mean the devil is just going to lie back and let you live free. That's why God has shown us what to do to make him kiteGod by saying that just because the devil is not allowed to be there, that he will now 'go', rather than there is something you need to do. If you allow him to hold reign over you, the devil will be besides staying, even if he is not entitled. But YOU DON'T HAVE TO REITE IT James 4:7:7 therefore to submit to God. Resist the devil and he will run out of you. James 4:7 commands us to resist the devil. Why would we need to resist the devil and he will run. It is not said that God has resisted him for you. Since the devil 'has no right' to be in your life now, you have the right to tell him to leave, he will be happy to stay. 'Resist him' many people really don't know what the Bible means when he says 'resist the devil'! The Greek word translates 'resist' here means, 'oppose, resist, resist' the English word 'resist' means, 'refuse to give in one thing: refuse to give in one thing in the refuse to give in one thing: refuse to give in the these definitions! You have to offer opposition and refuse to comply with what the devil is trying to do. That means if he's trying to control you with illness, you oppose his work in your life. You refuse to conform, and you begin to get into scripture healing and speaking healing. Resisting not a passive word I will tell him again! 'Resist' Is Not a Passive Word. It's an active word – it involves actions – do something. This is where many people And they have no knowledge of what the devil is to say. Many think it means screaming, 'Devil I resist you...!' - which can be a part of it, but there's more! Offering resistance has to do with standing up against what he's trying to do in your life, actively opposite him, the way God has told us in His Word resisting someone means actively opposite of what they are trying to do! Don't allow it! You have to be actively opposed to what the devil is trying to do in your life. He has no right!, but he will try anyway! If you don't resist if I do nothing! If I just stand there and cry about being pushed, then I don't offer any resistance. I only resist when I stand my tea, by allowing the person to push me? The answer is, 'As long as they are pushing me'! Many people think that resisting the devil is a quick prayer, then forget about it. They throw up a quick prayer, then just lied back and cry because they have been pushed around! Where is the resistance from that? You resist the devil by speaking God's Word about the situation, rather than allowing what the devil is trying to make them pillaging. To resist, you must make a conscious decision in every circumstance you face whether you are prepared to accept this thing or not! If he or she has a right to stay in my life? If he is of the devil, then he has no right, then I have the right to be free from whatever it will bring into my life. Now I must oppose him and not allow him to domain. Once you have that rank, you start applying resistance to the situation, not believing, talking and standing on the Word of God – as long as resistance is necessary to change the circumstances! You have the right to free. The word is your freedom in ANY and all circumstances! As you talk it, it will work but don't stop speaking the Word! People say - How long should I resist? Well the answer is simple – as long as you have! Resistance is something you do as long as the pressure is being applied to you, and it's not simply said once or twice, 'my devil resist you' as long as the devil is pushing, you offer resistance, until you see your hang. We are the GUARTEED winners of every conflict and darkness, as long as we stand our tea, and make it the way God told us to. Ephesians 6:10:10 Finally, my brethout, be strong in the Lord and in his power.:11 Put on the whole armor of God, that we may stand against the wild of the devil. God's Word translates 'standing' Here is the root word for the one used in James 4:7 to translate 'resist'. He's talking about the same thing. 'standing against' speaks of active resistance. We are not 'fighting' the devil, we will resist him. Too often we are too passive of our resistance. We are not 'fighting' the devil, we will resist him. Too often we are too passive force. You must actively speak deliverance you use the name of JesusActively to speak word of faith in god's word that is opposed to what the devil is doing in your life! When the devil is doing in your life! When the devil carries disease, resist him not actively speaking the Word of God about healing. Ephesians 6:12-18 goes on the list of what we call the 'weapon of God' a sealant can have all his arms on hand if he just 'stands there' and does not offer active resistance he will overcome. What does he do? - she raised her shield and punched with her sword! Notice - All the 'words do' (actions) in Ephesians 6:12-18They are not passive of things! Faith is not passive of things! Faith is not passive force. If you are not actively doing something with your faith to stand against the devil, then you do not resist it, and you will overcome! You have resisted disease and WordYou's have to resist poverty and the WordResist oppression, attack, discouragement, depression, attack, discouragement, depression not just to falsely have to resisting them. people don't do what the Bible says we do to get rid of them and stay in people's lives. Freedom is your rights away! Fight for your right for your right for your rights away! Fight for your right for your right fo back and allows the devil to bring his asthma to your life. You have a right to be free and has no right to your pressors. His jurisdiction in your life is over, now stands for what you are 'Of Christ' and begins to lie to keep it all.
