This version appeared on Wednesday, December 16th and is sure to please many players. As everyone knows, this version will remove many bugs that were discovered by players during the game and all of them have been successfully removed, so the game will be much more enjoyable. In addition to fixing bugs in Minecraft PE 0.13.1, it is possible to add very interesting new features that will make the game even more diverse and even unusual. At the moment, the item is not relevant. The latest versions of Minecraft on Android: 1.16, 1.15, 1.14, 1.13, 1.12 and 1.11.Fun Adventures in the Square World! For now, we can speculate that the new version will feature a new skin pack that will be available to all players and each of you can get a new look for your game character in Minecraft PE 0.13.1. It is also rumored that now only rumors in the game will add the ability to collect the heads of the murdered mobs, and then use them as hats or masks. What effects will have not yet been known and if at all, but it is definitely a great idea. MCPE 0.16.0 is now available for download, but the latest versions are: MCPE 1.0.0 and MCPE 1.1.0 !!! And everyone is waiting for the new version of the game MCPE 1.2 There was a release of a new version of Minecraft: Pocket Edition with bug fixes, a new menu type and a new skinpack. Total votes: 234 and promised, today a new version of Minecraft Pocket Edition - 0.13.1 was released that bug fixes were made in the game. In addition, when you visit Minecraft PE for the first time 0.13.1 you will see a completely new location of the buttons in the main menu of the game. The customization button will now not be in the lower-right corner of the screen, as before, near the language settings icon, but below the play button. Also under the play button is a new Skins button - clicking on it will move to skin change, where you can choose some suitable set of skins for you. In the skin set you will see a new set - this Christmas fur bag containing furs: Snow Maiden, Santa Claus, Santa Claus and others ... List of changes: Fixed bugs. New main menu type. Added Christmas skin pack. Skinpack.
