Glimpses of other realities facts and eyewitnesses pdf

GLIMPSES OF OTHER REALITY --VOLUME 1: FACTS & EYEWITNESSES details investigations of the world's plant circles, animal mutilation, & human kidnapping mysteries, photographs, drawings, maps & documents. Article 1(2) shall be replaced by the following Since the 1960s, other circles have been found in the 2. Dry, ceramic-hard circles in which grasses died were found in pastures under or near animals from which the tissue was cut out surgically & bloodless. In the rental of three cases, people affected by UFO abduction syndrome were given information about animal mutilations, which are included in Chapter 3, as well as conscious eyewitness reports of other creatures. The repetitive patterns of non-human organisms that humans drew or painted are included in Chapter 4, as well as photographs of ancient Sumerian gods that resemble today's drawings of alleged extraterrestrials in military & civilian cases. Privacy Data Start with glimpses of other realities: Facts and Eyewitnesses (Glimpses of other realities, Volume 1) Linda Moulton Howe refers to the field of ufology as the hall mirrors a quicks and fasts floor, providing an afcious description of the UFO world intelligence agency's misinformation, amateur hoaxes, mind control, advanced military systems, and probably a menagerapment of alien beings whose identities and agendas make (and people in knowledge positions) not in a hurry to disclose. Glimpses vol 1 tries to establish a factual baseline, although, like all things UFO, what a fact, and what Linda Moulton Howe refers to in the field of ufology, as the hall mirrors a quicks and fasts floor, which is an altering description of the UFO world intelligence agency's desinformation, amateur hoaxes, brain control, advanced military systems, and probably a mend of alien beings whose identities and agendas they (and people in the knowledge position) are in no hurry to make it public. Glimpses vol 1 tries to create a factual baseline, although like all things ufo, what is fact and what misinformation is terribly difficult to detect. It seems clear that *something* is going on that there is *some* level of extraterrestrial activity. For those who are curious and Dig for ufo morass, Howe's two volumes of Glimpses is a must-read. ... more ©2020 Walmart Stores, Inc. Inc.
