Action Action Action Action Action Andro-Mod » Games » Mod » Six-Guns: Gang Showdown (MOD, Unlimited Money) Six-Guns: Gang Showdown - a Hollywood blockbuster with a Wild West vibe, GTA-style plot and unusually performed combat mechanics that force shooting almost undoubtedly. Mobile West from the developers Gameloft begins with a tragedy: the main character was left without a family at the behest of unknown robbers and bandits, and therefore forced to take revenge, looking for the breasts of an opponent on the edge of yellowed deserts and magnificent canyons. And act in Six-Guns: Gang dismantling will have to be quick: and therefore you can not do without horses for chases, torture (and where else to get important information from?) And grounded revolvers that don't forgive other people's mistakes. Six-Guns: Gang Showdown – a dynamic and story-driven action movie with a distinctive Wild West vibe, unpredictable flora and fauna, and fatal shootouts that take place at every turn. When it comes to gameplay, Six-Guns: Gang Showdown is a classic representative of the genre: developers immediately introduced the drama, added a modicum of complexity and took care of continuous role-playing development. The main character is able to buy real estate and upgrade weapons, saddle horses and sit half his free time in atmospheric salons with strong drinks and fragrant cigarettes. Six-Guns: Gang Showdown - this is a great action adventure that takes place in the Wild West. The game begins with the main character leaving the execution site, pretending to die. After finishing with the past, the hero decides to start life again. However, the old habits of periodicals are felt. Thanks to them, the actor again, it turns out up to his ears in trouble. The local sheriff was attacked by criminal structures, alone to restore justice, it is not possible, so he asked for the help of the player. There will be a bloody confrontation with bandits, defeat them, you can save a beautiful lady, and as a sign of gratitude play in the lottery. Great chance to get new equipment or weapons. Now you are free from your obligations, and the World has kindly opened its weapons to you. You can go in any direction, but at every step the player waits for dangerous adventures and malicious offenders. The locals suffer very much from their attacks, and only you are able to restore justice. Feel free to join the battle and win big victories over evil, coming from difficult changes absolute winner. If the fight against natural villains has ceased to be of interest to you, go to the cemetery and fight with ghosts and the dead. From their laughter in the veins, blood cools, and the situation itself is drawn very qualitatively and naturally. To help provide various elixirs and drugs, without which to fight evil spirits a little difficult. Teh disadvantage is the need to purchase the necessary items for real money. The rest of Six-Guns: Gang Showdown on Android is a quality event with colorful graphics and realistic voice acting. The game is fully russified.
