Hot 107.9, celebrating 25 years as a main hip hop station, will now be home to Morning Hustle, anchored by Headcrack, with Lorel, Angie Ange and Billy Sorrells. Our Hot Listener already know Headcrack from his years on the Rickey Smiley Morning Show, Dish Nation or have already listened to show it across the country, regional vice president/GM Tim Davies said, and since we produce and air on Morning Hustle in Atlanta, it's a perfect fit. Rumor has it that Tom Joyner announced today that Rickey Smiley will replace him as host of the syndicated morning show after retiring at the end of the year. Smiley, who currently hosts more syndicated morning show for hip-hop stations, will move on to many of Joyner's affidase. Additional details about the program will be shared in the coming months. Reflecting Joyner's achievements and future, I'm happy to see urban AC continue to expand the morning radio landscape with Rickey, and I'm proud of the doors that opened on the Tom Joyner Morning Show. Twenty-five years ago, the syndicated Urban radio show did not have a template and we worked hard to successfully produce and prove a national platform market that entertains, informs and empowers the African-American listener. We broke ground, raising the bar for the audience to wait on black radio while partying for a purpose. Yes, we've done a lot, but there's still much to be done. I'm sure Rickey's activism and love of radio have been HBCUs will pick up where we left off. It is my honor to continue the legacy of Rickey Smiley, my boss and brother Tom Joyner, who made the announcement public. Not only have we been friends with my family and my friend over the years, but we also consider him family. Tom's mentoring instilled in me the precious wisdom I will carry with me in this new morning show. David Kantor, CEO of Reach Media and Radio One, agreed to cooperate, Tom changed the entire urban radio market. Over the last 25 years, many listeners have entertained and trained. While there will be only one Tom Joyner there and always, rickey is excited to move to Urban AC in January. Like Tom, Rickey's talent, community awareness and dedication to his listeners will serve his audience well. Reach Media's other current morning Urban AC program, The Russ Parr Morning Show, will also continue its syndicated into 2020.BACKGROUND: Rickey Smiley has been accepted for the excellence of linking with the Morning Show Brand and The Orbitrickey Smiley Morning Show listener, and continues to grow with faith radio community. Smiley uses the radio platform to express his belief that we are responsible for each other, including buying a car for a young man with a profile on social media who continues with a daily 3-hour bus ride to high school for over a year to graduate. Similarly, the emergence of a homeowner's history of domestic violence shed light on rickey's urgency of the problem as well as available resources to provide support to victims. Attended Alabama State University and attended numerous HBCU tours, Smiley is an ardent supporter of education - especially historically black colleges and universities.Rickey strengthens his radio brand 24/7 online engagement, with 5 million followers on social, through his stand-up comedy, reality-based TV shows, and broadcasting - raising all his voice!
