There's not much that you can't get from the online store Very yes, if you have a long list of Christmas gifts (or home improvements that already mean that since you spend more time at home since lockdown), the very Black Friday sale should be the first port of call. Covering thousands of products across home, fashion, beauty and tech, the brand always goes big on sales around November time, so he was sure to find something he needed for a great discount. We cross our fingers with sales of top brands like Dyson deals, as well as such pricier furniture pieces as sofas and beds. There's also plenty of high street fashion brands available on the site (hello, Topshop, AllSaints and Monsoon), so you might bag a better discount for these brands on the Very Black Friday sale than retailers on their sites for the day. Is there a very Black Friday sale? It's very usually run on Black Friday sale (last year was mega, with discounts up to 60% off site across), so we expect to be involved this year as well. We will be cherry-picking the best of the very Black Friday deals we can find and adding it to this site – so keep this page bookmarked and check back to see what we found in the day. This content is imported from Instagram. You may find the same content in a different format, or you may find more information on your site. What do I have to look out for at the 2020 Very Black Friday fair? While it's always a rush to be a great seller of a nice dress – try to stay focused and invest in the classic pieces that will serve you in the long run. The sale will, of course, give you a chance to invest in this year's Christmas gifts list so you can tick while at the same time saving. We've outlined some of the top fashion, beauty, tech and homes picks that we'll be hoping savings will come at the start of the Very Black Friday sale. What's Black Friday? Black Friday is the name of a sales event that will run from November 27 to Monday 2 December this year. Retailers usually offer very impressive discounts throughout the catalog, sometimes running fast flash sales throughout the day. Some brands, however, keep their sales going for up to two weeks - and some jump to the gun and launch them early, so be careful during this period. While Black Friday comes from America to mark the start of the Thanksgiving rush, the UK has been attending since 2010, when Amazon first held a Black Friday sale for us Britons. Since then, more and more stores have been involved every year – often with huge sales of up to 50%. Long may have to continue! When's Black Friday? The official start date for 2020 Black Friday is Friday, November 27. Saying that most retailers don't start discounting their products earlier; sometimes even the whole month. Be vigilant to find the best deals if you've got your eye on something in particular. As soon as we notice the Very Black Friday deals popping up online, we will update this page. Be sure to bookmark and check back regularly. What did they offer at last year's Very Black Friday fair? In 2019, they received huge discounts in the very Black Friday action in the page categories, with prices falling by up to 60% between the lines. Here are the details of what we found last year. Home appliancesThere were many great deals on appliances such as soup makers, vacuum cleaners, coffee makers and washing machines in 2019, with more than 1,000 lines discounted, so we're hoping for more of the same this year. Furniture beds, mattresses, sofas, chairs, dining furniture - whatever you want, it was part of the Very Black Friday fair in 2019. If you don't like the choice on offer very much, though, you can check out the best checkers deals and the best bedding deals to round up more great Black Friday sales for these items. Smart tech Last year had a range of smart home tech including Alexa speakers, Nest cameras and CCTV systems at a discount, as well as wearable tech such as smart watches, Oculus Rift gaming systems and Fitbits. HomewaresBedding, pillows, lighting, storage and more were all discounted. There were electric blankets in the cooler months, as well as table and drinkware - and a good selection of Christmas decorations as well. FashionFashion had discounted up to 40% off, including shoes, partywear, kidswear, men's, and sports clothing. This includes a 40% discount on a range of high street brands including Barbour, Joules, Whistles, Birkenstock and Cath and Adidas trainers and sportswear. BeautyThere also has many deals on fragrances, noting £10 discounts on perfumes diesel, Paco Rabanne, Thierry Thierry and Marc Jacobs. £24 off Dekadencia by Marc Jacobs and Hugo Boss Deep Red for Women. Vera Wang Princess was under half price for £22.99 and you can also save £25 on Joop! Homme. There were savings on beauty tools as well. This Panasonic epilator was under half price at just £60 and was 60% off this wet-and-dry Panasonic razor. TV & headphones A lot of offers have been made on speakers, headphones and TVs, including £150 for the 43-inch Hisense smart TV and £300 for the 43-inch ultra-HD Samsung smart TV. Ideal Christmas present; these Beat over-ear headphones were £100 down and these wireless ones were reduced by £71.ComputersYou could save up to £200 during the Very Black Friday sale last year, although the biggest savings were on the priciest computers. What else can I get from black friday sales? We won't know until November, but last year we found some great deals on sofas, toys, beds and mattresses, hair tools and GHI winning toothbrushes. Emma Bridgewater Pottery was discounted by up to 40% and John Lewis had a huge 20% discount on sale as well. Do you like this article?
