Metal gear solid theme midi

Metal Gear SolidSingle midi filesOnly left click on a midi file if you just want to listen to it, or you can right click and select save source as... or something like that to store the midi file to your computer! mgs-discovery.mid - 61.5 kbmgms duel.mid - 35.4 kbmgms enclosure.mid - 12.6 kbmgms-escape.mid - 45.8 kbmgms-intro.mid - 24 kbDownload all 5 files as 1 zip file (21.4 kb) Random MIDI %Pro Tip: You can drag-and-drop a MIDI file on this page to play it!**** Dažas programmas Word funkcijas nevar parādīt pakalpojumā Google dokumenti un, ja veiksit izmaiņas, tās tiks atmetasSkatīt detalizētu informāciju Very few video games had as much impact on me as Metal Gear Solid. That's why I covered two songs from this series, one of which you can check just above. This cover is based on Metal Gear Solid Theme Sheet Music available on this page. Thanks to its charismatic characters and its wonderful music, I will always have a high opinion of this video game series, even now that it's dead and buried ☹ The second piano cover I did is Quiet's Theme from Metal Gear Solid V. Feel free to check this out: Quiet's Theme Sheet Music. Download Metal Gear Solid Theme Sheet Music Purchase of this sheet contains the following files: Metal Gear Solid Theme Sheet Music PDF Metal Gear Solid Theme Midi You may also be interested in checking my other piano notes. These include: Red Dead Redemption Deadman's Gun Sheet Music, Westworld Dr. Ford Sheet Music, Stranger Things Theme Sheet Music... Metal Gear Solid is the third game in the Metal Gear video game franchise, and also the first I played. The Metal Gear Main Theme covered on this page is present in the first 3 Metal Gear Solid video games. The Metal Gear series, created by Hideo Kojima in 1987, lets players play as Snake (either Big Boss, or Solid Snake, two different characters). The hero is often tasked with finding and destroying a Metal Gear, a two-legged tank equipped with nuclear weapons.
