Unsuitable Boy is Karan Johar unabashed, unadulterated and unedited! If you have watched a lot of Koffee episodes of Karan, you can actually read the book in his voice, it feels as if he sits just in front of you rambling,, dissing and appreciating. In an innocent, no-nonsense narrative, Karan Johar bares his heart out in this memoir—his initial struggles with weight, low self-esteem and being effeminate, his emotional equations with an aging father... strict mother and so on. Then there is the whole chapter about Kuch Kuch Hota Hai, who has an astounding account of how a boy with experience in only one film (he was deputy director of DDLJ) came, saw and conquered. In the book Karan is very open and candid about all his vanities, struggles, vulnerability, anxiety issues, fallout with Kajol, his relationship with Shah Rukh and Aditya Chopra and, in my opinion, he couldn't be more honest and profound. The chapters where he puts down his struggles and vulnerability in consolidating Dharma Productions (which have no sense of business whatsoever) are not only gripping, but also motivating. The book has its share of vanity, flamboyance and elitism and Karan never tries to hide it. Neither does he try to be politically correct while saying Screw you all his Twitter trolls. The book might seem a bit pulling when he discusses his friendship, but then it looks justified given that how emotionally attached he is to his friends. In the end, he even discovers that he thinks about child just because of the selfish reason that he wants someone to take care of him when he gets old! In general, it is a candid, gripping and honest memoir– something that has come straight out of Karan's heart and deserves to be read for sure. KJo, as he is popularly called, is a much loved Bollywood film director, producer, actor, and revelator of new talent. With his leadership of Dharma Production, he has consistently challenged the norms, written and rewritten the rules, and set trends. But who is the man behind the icon that we all know? Baring all the first time in his autobiography, Inappropriate Boy, KJo reminisces about his childhood, the influence of his Sindhi mother and Punjabi father, obsession with Bollywood, invade movies, friendship with Aditya Chopra, SRK and Kajol, his love life, AIB Fried, and much more. In his trademark frank style, he talks about the ever changing faces of Indian cinema, challenges and learning, as well as friendship and rivalry in the industry. Honest, heart-warming and insightful, Inappropriate Boy is both the story of the life of an extraordinary filmmaker at the peak of his powers and an equally extraordinary man who shows how to survive and succeed in life.
