What does Enhanced CHCL do for me? With E-CHCL we are authorized to carry/possess a concealed weapon in public buildings and facilities under 5-73-122, public colleges, universities and community colleges. 7-12, 14, 15 & 17 in 5-73-306 Prohibited places are no longer prohibited with certain exceptions. PROCESSPersons who do not have AR CHCL (and do not transfer a license from another state) will need to take basic (5 hours) and extended training (8 hours) before submitting their application. You should provide them with a completed training page for basic CHCL training and a training page for extended CHCL training. Everything else (fees, fingerprint cards, application processes, etc.) remains the same. Persons who hold a CHCL from another state and wish to transfer it and obtain an extended licence are only required to complete extended training (basic is recommended but not required). The transfer process remains the same (paper application, fingerprint cards, fees, etc.). Note: You must have an Arkansas CHCL to obtain the privileges of the Arkansas Extended Hidden Handgun Carry License. Persons who hold an extended license issued from another state will not have the same privileges as Arkansas strengthened, but will be honored as a basic CHCL. Persons who hold the current Arkansas CHCL and are not within 90 days of expiration can complete the extended training, submit a completed replacement form, pay \$7.50 or \$15.00 and submit an extended training form to that authority. Persons who hold the current Arkansas CHCL and are within 90 days of expiration may complete the lost replacement form, or it will be cheaper if they submit their extended training form with their renewal application and receive enhancements to their renewed license. Note: Adding CHCL enhancements will not extend the license period, it will remain the same. The applicant must complete the proficiency qualification for live fires and obtain an overall score of 35/50 or 70 %. The instructor may allow the applicant to re-fire the course three (3) times.
