Bright 7.0 high-resolution display Detailed maps of North America free lifetime<sup>1</sup> updates Garmin Real directions with Garmin Real Voice Active Lane Guidance voice commands nüvi 2757LM with a bright 7.0 high resolution display and arrives loaded with detailed maps of North America. With free lifetime<sup>1</sup> map updates, routes are sure to reflect the latest maps, POIs (points of interest) and navigation information. New maps can be downloaded at no charge. Nüvi 2757LM makes it easy to find addresses and millions of POIs, such as businesses, shops, restaurants, and other destinations. nüvi 2757LM is preloaded with POI's, so there is no need to enter address information. Just select one — or many more — and navigate there quickly and easily. You also have the ability to add custom POIs to the nüvi 2757LM. Dress Real Directions™ with Garb Real Voice™ nüvi 2757LM redefined spoken turn by-turn directions with Garb Real Directions, easy-to-understand driving directions that guide like a friend, use recognizable landmarks, buildings and traffic lights. No more stress when you're trying to read street names. Garmin Real Voice is sophisticated speech technology that sounds more like a natural, friendly sound. Garmin Real Directions and Garmin Real Voice are features that are only available in our line of GPS navigators. A comprehensive driving guide that you can see and hear with active lane guidance and voice commands prepares you to confidently drive through an exit or junction. As you approach, animated models use brightly colored arrows to indicate the right bar for the route; friendly sound will provide additional assistance. Bird's Eye node view offers a detailed picture of nodes, looking down as if they were at the top. The photoReal node view realistically displays the nodes and nodes along the route, including the surrounding landscape. Brightly colored arrows indicate the right lane to drive. nüvi 2757LM also depicts the real road signs that appear along the route. More info on a glance nüvi 2757LM keeps the driving map on the screen at all times, and more information is displayed next to it. Tap the screen for details. By driving the route, Up Ahead will keep you informed of nearby services, including restaurants, gas stations, hospitals and shops. nüvi 2757LM displays the speed limit, current speed and exact arrival time. With a quick glance, you can read the name of the current street. nüvi 2757LM also shows school zone warnings. <sup>1</sup>Lifetime Maps Terms and Conditions <sup>2</sup>A user's data plan charges, if any.
