Information made public to parents can be found here: Letter to Families Grading Procedures. Published 16.4.2020 Public announcement: Notice will be made that the Caddo Parish School Board will hold its regular meeting on Tuesday, April 21, 2020 at 4:30 p.m.M. The meeting will be held via video/conference call. This meeting can be viewed in Zoom at the following link: . Public comments may be submitted to the Caddo Parish School Board by submitting comments as follows: Zoom by CPSB-Public Zoom guidelines. By 3 p.m. on April 21, 2020.M 30 a.m., mwood@caddoschools.org comments will be read aloud during the public commentary of the meeting. Written public comments shall be limited to three (3) minutes of reading time and should include the full name and address of the person. CERTIFICATION OF INCOMPETENCE DUE TO LACK OF QUOQUACY In accordance with Executive Regulations JBE 2020-30 and 2020-33, The announcement made by Governor John Bel Edwards on March 16, 2020 and March 22, 2020 must be a testimony to the Caddo Parish School Board's inability to act otherwise under the Louisiana Open Meetings Act due to the lack of a quoma due to the COVID-19 public health emergency. According to point 4 of JBE 2020-30, the Caddo Parish School Board will be present at its next meeting, which will be a key board meeting, on 21 April 2020 via video/conference call. Based on the above, and in accordance with declaration numbers JBE 2020-30 and JBE 2020-33, the Caddo Parish School Board meeting will be held on Tuesday, April 21, 2020 at 4:30 p.m. P.M. will be held via video/conference call and as permitted by public scrutiny and input in accordance with this notice. Released April 15, 2020 Wednesday, Gov. John Bel Edwards officially announced the closure of district facilities by the end of the school year. In accordance with the guidance provided by the Declaration, all Caddo schools and offices will remain closed throughout the rest of the year. With facilities closed, the district will continue online teaching and essential programs such as student food service and social and emotional support. We thank Gov. Chris Christie. Edwards for working with school districts to set the safety of our students, staff and family first, said Caddo Schools Superintendent T. Lamar Goree. Throughout this pandemic, our priority has been to provide our students with high-quality academic resources and receive nutritious meals. We also know that our students' social and emotional needs do not stop because our buildings are closed. For our students and families, we have created a website where you can learn about community programs and services designed to meet your specific needs. Our doors may be closed, but Caddo is ready to support our students, staff and families. Students will continue to complete their teachers' assignments for the rest of the year through the District's Caddo Home Learning virtual platform. The platform has garnered attention from the Louisiana Department of Education for its ability to connect students and teachers through a state-of-the-art curriculum. Students are responsible for carrying out all prescribed work. the assignments have been completed Teachers are assessment work and providing feedback to students. Students must not be punished academically because they cannot access equipment, the internet or academic resources. In addition, teachers and administrators hold office hours to answer questions from students and families about class work. This is a critical step to protect public safety, said Gov. John Kasich. Edwards at his news conference announcing the decision to close school buildings. It was not a lightly taken decision that we did not want to take, but one that we believe must be taken in the name of public safety. Although the students are not in the school building, I fully expect teaching and learning to continue. For graduates, the district has secured at the Shreveport Convention Center from August 27-1. Caddo does not currently know what social distancing guidelines are needed by the end of July; However, the safety of students, staff and families is of the utmost importance. In the coming weeks, the district will communicate with families about end-of-year needs, including return equipment for home teaching, textbooks, and collecting a personal item left at school sites. Caddo schools currently plan to start the school year 2020-2021 as planned on August 10, 2021 when all teachers return to work on August 6, 2021. August. Because this is a difficult time for many students and families, the district has created a resource page, Caddo Cares, that provides access to mental health services with remote health capabilities as well as tips to support mental health during this period of social deestal. Published 14.4.2020 Public announcement: Notice will be made that the Caddo Parish School Board will hold its regular meeting on Tuesday, April 21, 2020 at 4:30 p.m.m. The meeting shall be held via video/teleconference. This meeting can be viewed in Zoom at the following link: . Public comments can be submitted to the Caddo Parish School Board by submitting comments as follows: Making comments in Zoom by raising their hands using the CPSB-Public Zoom guidelines. By 3 p.m. on April 21, 2020, .m 30 a.m., written public comments mwood@caddoschools.org will be read aloud during the public commentary of the meeting. Written public comments shall be limited to three (3) minutes of reading time and should include the full name and address of the person. INACTION DUE TO LACK OF QUOQUACY] In accordance with Governor John Bel Edwards' Executive Declarations JBE 2020-30 and 2020-33 of 16 March 2020 and 22 March 2020, this notice serves as a certificate of the Caddo Parish School Board's incompetence otherwise, act in accordance with the Louisiana Open Meetings Act because there is no quomancy due to the COVID-19 public health emergency. According to point 4 of JBE 2020-30, the Caddo Parish School Board will be present at its next meeting, which will be a key board meeting, on 21 April 2020 via video/conference call. Based on the above, and in accordance with declaration numbers JBE 2020-30 and JBE 2020-33, the Caddo Parish School Board meeting will be held on Tuesday, April 21, 2020 at 4:30 p.m. P.M. will be held via video/conference call and as permitted by public scrutiny and input in accordance with this notice. Published on April 9, 2020 Today, Caddo Schools Superintendent Lamar Goree sent a letter to the 2020 Senior School, stating that the May graduation cannot continue as scheduled. The district is currently working to finalize dates in late July to resume kickoff drills. Published on April 2, 2020 Today Governor John Bel Edwards extended his residen reference instructions to require schools to remain closed until April 30, 2020. Learning continues through Caddo's virtual learning platform. Published on 30 March 2020 Today and continuing until 1 April 2020, school websites are open to allow families to check devices that allow pupils to continue learning through Caddo's virtual learning platform. In addition, student assignments will be uploaded to Caddo Home Learning from today. Review tasks and work with your child's teachers on any questions or concerns. Today, our district served more than 46,000 meals as part of our now weekly food service program. We are grateful to our children's nutrition team and our community volunteers who worked with district staff to make this vision come true. Published march 26, 2020 Special COVID-19 general work certificates for minors to work in Louisiana In response to the current COVID-19 event, Sat. R.S. 23:184.1 says the Louisiana Labor Commission (LWC) will begin issuing a 60 (60) day general work certificate to employers who want to hire minors in the state of Louisiana. Work certificates issued as a result of this event shall expire 60 (60) days after the date of issue. If the employer expires, the employer must obtain a certificate of employment in La. R.S. 23:181 y as at Sat.R.S. 23:181 et. Seq. Employers wishing to obtain a work certificate in accordance with this Memorandum shall submit a completed and signed application for the employment of minors under the age of 18 and proof of age laborprograms@lwc.la.gov. The app can be downloaded from the Louisiana Workforce Commission website or by copying and pasting the following web address into your browser: ♦ applications are not processed. Employers should allow processing for three (3) days. Once the application has been approved, the employer will be notified by e-mail from the LWC Labour Development Office. The names of minors who have been accepted to work on the basis of a work certificate are also attached to the e-mail. As stated above, the general work certificate is valid for a maximum of 60 (60) days. The general work certificate is not transferable. Certificates shall be kept at the workstations of the minor. Any question or concern about this memorandum should be laborprograms@lwc.la.gov. Published on 24 March 2020 On Monday 30 March 2020, Caddon child nutrition staff will continue the breakfast and lunch meal service with changes that limited the contacts and risks of both students and staff. In 18 locations, staff have eight meals that each child can pick up for a week. Meal packages include five breakfasts and three lunches. Meals are distributed from 8.m 30:00 to 11.m. on Monday at the following locations: Blanchard Elementary C.E. Byrd High Caddo Heights Elementary/Middle Northside Elementary Ridgewood Middle Southern Hills Elementary Turner Elem/Middle University Elementary Walnut Hill Elementary/Middle Westwood Elementary Woodlawn High This revised meal program allows the district to resume catering while limiting contact. State officials have reviewed and approved the district's plan. In addition, the district has asked government agencies for adequate protective equipment, such as masks for employees, as part of distribution efforts. Posted March 22, 2020 In response to Gov. Edwards' home order, Caddo Schools will not offer grab-and-go meals this week. Our district takes the safety of students and staff seriously and has agreed to provide food services only for as long as the safety of participants can be guaranteed. Given the increasing rate of spread of COVID-19, we need to take all precautions to protect our students and staff. Caddo urges all stakeholders to limit outside interaction and take the governor's advice. The district will continue to assess the circumstances to determine as soon as possible when we can resume food service. In addition, all central office offices will now be closed in addition to our school sites. Everyone has to do their part to smooth out the curve for the sake of our community. Posted march 19, 2020 in response to the needs of medical community partners, Caddo Schools provided more than 43,000 surgical gloves and more than 2,500 masks from willis Knighton Health System. Masks and gloves come at a time when The need for basic supplies is increasing, and stocks are running low across the country. Caddo is grateful for the opportunity to help our medical community at this difficult time. Published 16 March 2020 Published 15:42 p.m.: After the first day of food service for families after the closure of public schools across the state, Caddo Parish Public Schools is shaping sites and service hours to better meet the needs of the family. Starting Tuesday, 23 sites will now offer breakfast and lunch. These sites include the addition of Southern Hills Elementary and Herndon Magnet School and Jack P. Timmons Elementary sites to Mooringsport Elementary and Blanchard Elementary. As a result, locations can be placed closer to families in the northern part of the congregation. Families can also enjoy meals for both breakfast and lunch when they come to any feeding place. Meals are available on weekdays from 07..m:00 to 11..m. During these times, staff are available to provide bag food at the main entrance to designated schools. Families do not have to enter school buildings or even leave the car as part of construction site protocols. These changes will allow the district to better serve a school-age child to ensure they receive nutritious meals every day. The following sites will serve as feeding grounds from March 17 to April 13: Blanchard Elementary Caddo Middle Magnet School Caddo Heights Elementary E. Byrd High School Caddo Magnet High School Captain Shreve High School Cherokee Park Elementary Fair Park Middle School Green Oaks High School S. Clark Elementary School Judson Magnet School Keithville Elementary/Middle School Mooringsport Elementary North Caddo Elementary/Middle School Northwood High School Oak Park Elementary Ridgewood Middle School Southern Hills Elementary/Middle School Walnut Hill Elementary/Middle School Westwood Elementary Woodlawn High School How to grab and go to work? Grab and go catering is designed to help families who depend on our school food program for meals. When you arrive at the most suitable pick-up location for you, Child Nutrition staff will be waiting at the front door of the building. Go with the staff and ask for a meal. The meal is packed in a bag. The meal is provided free of charge to children (18 years of age and younger). You should plan to take your meal with you – there is no place to eat on site. You can pick up a meal from any of the 23 places, regardless of where you live or go to school. Published at 11:00 a.m.: Local NAACP and Comcast join forces to provide free internet access to Shreveport residents who may have to work from home due to the coronavirus. President Lloyd Thompson, Shreveport branch of the NAACP, and Head of Foreign Affairs at Comcast Ronnie Colvin announced Monday morning that all residents will receive free Xfinity WiFi for 60 days. Colvin said whether you're you or a Comcast customer or not, you'll have access to free Internet service for two months. The announcement comes as the district prepares to launch virtual learning opportunities for students across the region. Posted March 13, 2020 Posted at 5:47 p.m.: Dr. Goree has announced that we will cancel the ArtBreak festival due to the closure of a school authorized by Governor Bel Edwards, which will last until Monday, March 13. We are very saddened by this first cancellation of the ArtBreak festival. However, we unreservedly support any security measures related to protecting our community from CoronaVirus. On behalf of the Shreveport Regional Arts Council and all the team members who have worked to produce the biggest ArtBreak festival ever, we would like to express our deepest gratitude for all your efforts to participate in ArtBreak. We appreciate the encouragement you send to young artists in our region at this annual student art presentation. The Shreveport Regional Arts Council looks forward to a new day for ArtBreak in 2021 and thanks you for your continued support, patience and understanding as we find the best way forward. Published at 16:39 .m. Caddo Parish Public Schools will be closed from March 13 and continue until April 13, 2019, but the district has established 22 feeding grounds throughout the congregation to allow school-age children to continue to receive nutritious meals every day. From Monday, parents will be able to drive to schools for breakfast and lunch at a specified time, and bag dishes will be available for pick-up. Families do not have to enter school buildings or even leave the car as part of construction site protocols. Breakfast is served from 07..m:30 to 08:30 .m. Monday to Friday. Lunch is available from 11..m:00 to 13:30.m. Monday through Friday. During these times, staff are available to provide bag food at the main entrance to designated schools. While schools may be closed throughout our district, we know that needs don't stop, Caddo Schools Superintendent T. Lamar Goree said. We are excited to continue to offer our families the opportunity to have a healthy and nutritious meal even in these unprecedented times. Initially, Dr Goree had asked staff to be ready to open feeding grounds by 30 June. After publicly committing to media partners and families, staff returned and worked diligently to ensure the district was able to provide services two weeks earlier than anticipated and even during spring break. The following locations will serve as feeding grounds from 16 March to 13 April: Caddo Magnet Caddo Heights Elementary C.E. Byrd High School Caddo Magnet High School Captain Shreve High School Cherokee Park Elementary Fair Park Middle School Green Oaks High School Herndon Magnet School Jack P. Timmons Elementary S. Clark Elementary School Judson Magnet School Keithville Elementary/Middle School North Caddo Elementary/Middle School Northwood High School Oak Park Elementary School Ridgewood Middle School Turner Elementary/Middle School Walnut Hill Elementary/Middle School Westwood Elementary School Woodlawn High School released at 1:00 p.m Gov. John Bel Edwards has issued a proclamation calling for the closure of all K-12 public schools in the state on March 13. Districts are asked to put in place emergency procedures for essential services until campuses can reopen their doors. The district is warning families about available online teaching resources and will provide guidance to staff in the coming days. Published at 11:00 a.m. Caddo continues to work closely with many of our community's top medical professionals. In addition, Dr. Goree met with school principals this morning to provide them with information directly from doctors who fight the disease and offered guidance on what the district and schools are doing to combat the spread of the virus. An overview of the information given to the rector can be found here: Corona Guidance Letter. The letter gives the principal and staff the following guidance: All trips sponsored by schools and districts from Monday, March 16. will be cancelled or postponed until further notice. The district is urging schools to review available refund or credit options to schedule trips later. The district encourages all departments and schools not to plan future travel for the time being. All district and school events will be cancelled or postponed until further notice. This includes after-school events or programs during the day when the audience would be invited to participate. The extended day's programs, school tutoring and off-campus out-of-campus policies will continue as planned. All high school sporting events will continue as planned pending further guidance from LHSAA. For the time being, volunteers are not allowed in schools. The district encourages teachers and administrators to restrict activities outside the classroom. The district encourages departments and schools to move on to professional development and other face-to-face meetings that urban areas would arrange in online webinar formats to limit connections between teams. We understand that families need to make choices that are in their best interests. If parents/guardians request that students not be sent to school, follow district policy JE – STUDENT PARTICIPATION The district follows the practice of JHCC – Infectious diseases in procedures related to the return of pupils who have been absent due to COVID-19. If you report any COVID-19 illnesses or contacts with potentially infected persons, please email your supervisor. This morning, Dr. Goree also attended a meeting of the government and nonprofit agencies to discuss ways to address the virus. At the meeting, Martha Whyte, regional director of the Public Health Agency, said there was still one case of the virus in Caddo Parish. For our families, we use cdc guidelines as a resource to help parents discuss the virus with their children. Stay calm and calm. Remember, kids react to both what you say and how you say it. They pick up clues about conversations you have with them and others. Be available to listen and talk. Time to talk. Make sure the kids know they can come to you when they have questions. Avoid language that can blame others and lead to stigma. Remember that viruses can sicken anyone, regardless of a person's race or ethnicity. Avoid making assumptions about who might have COVID-19. Pay attention to what children see or hear on TV, radio or online. Consider reducing the screen time focused on COVID-19. Too much information on one subject can lead to anxiety. Give me honest and accurate information. Give children truthful information that is appropriate for the child's age and level of development. Talk to kids about how some stories about COVID-19 on the internet and social media can be based on rumors and inaccurate information. Teach children everyday actions to reduce the spread of bacteria. Remind children to stay away from people who cough or sneeze or get sick. Remind them to cough or sneeze in the tissue or elbow, and then throw the tissue in the trash. Discuss any new steps that can be taken at the school to protect children and school staff. (e.g. increased hand washing, cancellation of events or activities) Get the kids a way to wash their hands. Teach them to wash their hands with soap and water for at least 20 seconds, especially after blowing, coughing or sneezing the nose; I'm going to the bathroom. and before eating or preparing food. If soap and water are not available, teach them how to use a hand sane. The hand-ppu mph must contain at least 60% alcohol. Supervise young children when using hand-butts to prevent alcohol from ingesting, especially in schools and childcare facilities. Published March 12, 2020 The first case of coronavirus (COVID-19) in Caddo Parish has been confirmed by the Public Health Agency and Governor John Bel Edwards. The patient is not Caddo schools. As a region To work on preventive measures to curb the spread of the virus, the letter goes home to families outlining not only what the district is doing, but also ways for families to limit the spread of the virus. The letter can be found here: Coronavirus update for families 12.3.2020. Published on 11 March 2020 To maintain the safety of students and staff, the district reviews all student and staff trips and assesses each request on a case-by-case basis. This applies not only to the state's external travel, but also to state travel at this time. Published on March 10, 2020 Due to recent developments in the spread of coronavirus COVID-19 and out of an abundance of caution, Caddo cancels all travel approved by the international circuit immediately and indefinitely. District Management is working with individual schools and staff to determine possible restructuring options. Our main concern is the health of our students and caddo team, and the risk of students or staff falling ill or quarantined in a foreign country is too great. The district management of students and staff currently absent is working with the Public Health Department and state and local authorities to determine possible cases that may require self-quarantine. Students and staff traveling should be aware caddo continues to follow recommendations and information from the Centers for Disease Control and Prevention (CDC) and follow the organizations' recommendations. Published on 9 March 2020 The safety of students and staff is our main responsibility. Caddo schools are in contact with the Louisiana Department of Health and the Centers for Disease Control (CDC) about COVID-19, also known as coronavirus. There are currently no confirmed cases of coronavirus in Caddo Parish. Health authorities have shared that the best ways to prevent the spread of the coronavirus are the same contraceptives recommended for flu and flu. Since we are still in the cold and flu season, we recommend you and your students to take these daily preventive measures, which are always recommended to prevent the spread of respiratory viruses: Stay at home and seek appropriate medical attention when you are sick (fever, dry cough, body atrophy, etc...). Avoid contact with sick people. Wash hands frequently with soap and water for at least 20 seconds. The constant abrasion function helps soap break down the fat and dirt that carry most bacteria. This way, your hands will not only smell fresh, but you will also reduce the amount of bacteria in your hands by up to 99%. Avoid touching your eyes, nose and mouth with unwashed hands. Avoid sharing food, food, dishes and other personal hygiene products. Cough or sneeze at the elbow or use the tissue and immediately place in the trash can. Avoid In addition to encouraging workers and families to: The above preventive measures, we will take the following additional steps to minimize the possibility of an outbreak at one of our schools: Increasing sanitation in our schools and buildings, including toilets, cafeterias, classrooms, etc. Notifying the school principal if a current student or staff member has traveled to the country on the CDC's risk assessment list. For the sake of caution, we ask that these students and staff expect the 14-day incubation period (starting with the date of returning to the United States) to expire before returning to school or work. By asking new registered families if the student has travelled internationally in the last two weeks. Because of the warning, we ask that all students who have traveled to a country on the CDC's risk assessment list expect the 14-day incubation period (starting from the date of return to the United States) to expire before enrolling in school. Daily monitoring of absences. Allowing already planned trips abroad, but for the time being restricting travel outside the new laries to student field trips, competitions, etc. Deliberately and persistently combating stigma. When new information comes up, it is important to remember that the risk of COVID-19 has nothing to do with race, ethnicity or nationality. Because the situation is ongoing, the CDC updates its network resources daily. These can be found at . Caddo will continue to monitor the situation and update you if we have any further information. Information.
