Its current version is 5.0.2 Its requirements for Android is 4.1 and up. Check it out on Playstore Prev article next article THEO ĐỒI CHỨNG TÔI Nintendo hit strategy-RPG Fire Emblem series that has been strong for a long time 25 years, has continued its journey on smart devices: Fight battles customized for touch screens and on-the-go motion Summon symbols on the other side of the fiery coat of arms universe. Develop the skills of your heroes and take them to new heights. This is your adventure - a fiery emblem that is like nothing you've seen before! This app is free to download and offers some additional in-app purchases.■ The epic Quest!Game features a permanent, original story where new characters and dozens of characters tested in battle from across the Fire Emblem universe meet. There are over 1,100 storylines available from June 2020! (This total includes all difficulty modes.) Clear these stages of history and you'll earn Orbs that are used to summon Heroes. New story chapters are added frequently. so don't miss!■ Intense battlesTake part in strategic turn-based battles streamlined for more on-go play with cards that fit in the palm of your hand! You will have to think hard about the advantages and disadvantages of each hero's weapon ... and even evaluate the card itself as you fight. Lead your army with easy touch and swipe control, including the ability to attack by simply skipping an ally over an enemy. New to strategic turn-based battles? Don't worry! Use the Auto-Battle option to have your heroes fight on their own.■ Strengthening your favorite charactersThere are many ways to strengthen your allies: leveling, skills, weapons, equipment items and more. Take your heroes to greater heights as you fight for victory.■ Replayable modesIn addition to the main story, there are many other modes where you can strengthen your allies, compete against other players and more. ■ Original characters meet legendary charactersGame features multiple hero characters from the Fire Emblem series and brand new characters created by artists Yusuke Kozaki, Shigeki Maeshima and Yoshiku. Some heroes will fight on your side as allies, while others can stand in their way as fierce enemies to be defeated and added to their army. Featuring characters from the following games in the series!— Fire emblem: Shadow Dragon and Blade of Light flame emblem: The mystery of the emblem of the fire emblem of Cordelia, and Henry have added.— Some Aether Raids structures have had an increase in their cap level. Cap. Addressed. - Book IV of the main story opens at 12/5. Clear Chapter 1 to get Peony: Sweet Dream as a 5-star hero!— A new event, Mjolinir's Strike, starts at 12/8.— Skills can now be learned and changed directly from the character profile screen. - New mode, form room, added. The first event starts 10/10!— Now you can join your characters for a meal! In the field and dining room are added to the AETHER Resort.— The harvest event starts at 10/9. This will certainly be a pleasure! - A new feature, the heroes' path, has been added! Do you feel lost in a new world? Let the heroes' path be your guide - and complete quests to earn some 5-star characters! Now you can spend twice Ether to win the lift twice from the attackers! The new lost lore events begin on August 13. Send Heroes to scout other worlds to recover their lost erudite for the saga characters' new character-specific weapons skills have been added for four heroes. - The app icon has been updated.L. The protagonist and house leaders from Fire Emblem: Three House Game made its long-awaited appearance- along with a gift of some new castle designs! - Ether Reiss has been updated. Now you can win a defensive prize too! ■ New specific weapon skills have been added for four Heroes. The concert hall has been added where you can listen to nostalgic tunes at any time.— Added opportunities to save the cards on Aether Raids cards. The character merit limit has been raised to 6,000.— Weekly recurring subpoena events have been added. A new regime, RøkkR Sieges, will become available on June 17! Implemented bug fixes.
