ACC campuses are currently open only to students who attend in-person classes, appointments, and essential faculty and staff. For the latest information, please visit COVID-19 Information. ACC Rock Rock is spacious and bright. Located at Boulevard University, the campus is an important part of the city of Rock's higher education district. In 2018, a new building was added and renovation is being made to accommodate the student's growing body. The ACC Rock Rock Program, you can take general education courses intended for university transfers or choose from a variety of career-technical classes such as welding, construction, and automotive technology. The school yard also offers several health degrees including retirement, sonography, radiology, and more. Students at ACC Rock Rock have access to academic advice, a Test Center, Career Choice Office, career advice, and more. The school yard also features state-of-the-art ACCelerator, an interactive learning hub, offering innovative classes. Apply hands-on education technology to the state ACC-of-art Building Construction, Welding, and Automotive Installation Technology. Astronauts viewing the 3000 rooftop building serve as a place viewing astronomy and party stars and other special events. Business and Community Testing Center One-stop centers provide services designed to meet the testing needs of both the college and the community. The default PIN is the last four digits of phone numbers listed on your account. With your library account, you can: See items you check out Renew checking requests that an item must be made to you fine review and charge fees in your profile viewing account and update your email address if you need further assistance, please contact the Library at 512-218-7000. ACC Early Referral System (EARS) -- A new resource hub for ACC students seeking assistance with Academics, Health Care, Children and Health Care, Mental Health, Transportation, Civil Rights, Food Assistance, and more. Tips -- If you encounter situational crisis or difficulty to succeed, a counselor can help. Other services offered by counselors are career evaluations and academic advice. Services are available by reference faculty, appointment, or walk in. Financial Aid Services -- Offices are located in both Rock Rock (RRC) and Eastview (EVC) campuses. Nursing students assigned to the CEC are served by EVC or the best school yard. Financial Aid Services are available in the market, telephone, or appointment. Library Services -- Library and Reference Library are available on each campus, including CEC. Reference Library Services Do not walk in, appointments, e-mail, or phone during business hours. After-hours services are accessed via AskAcademic chat service. Student Access Services and Assistive Technology (SAS) -- The offices of both Rock Rock (RRC) and Eastview (EVC) campuses. Nursing students assigned to the CEC campus may be served by EVC but may attend the most convenient campus. Contact the SAS if you believe you are eligible for these services. Employees will meet with you to determine reasonable, appropriate, and effective accommodation based on courses they register with requirements. Tutoring -- Nursing professors have offices in Eastview (EVC), Round Rock (RRC) and Clinical Education Center (CEC) in Brackenridge. Nursing teachers are available to student nurses by faculty referrals. General academic tutoring is available throughout ACC Learning Labs by walking in or appointment. Students can use the best school yard.
