Undergo an immediate toughness test or suffer additional wounds without a protective armour or cover. Scabeithrax's toxic discharge may spew out a stream of foul dirt over his enemies. He may attack at the same firing range as a regular firing attack. Unleash PoisonHellstorm54Assault 1 Hulking Although a Gargantuan creature, Scabeithrax, can move only 6 in the movement distance (more than usual 12), Maggotspore Scabeithrax is a noisy and visible monster formed from rotting flesh and putter. He has a special rule, *Feel No Pain* (4+), and counts as a device with both anti-explosive and explosive attacks. In addition, all models within 6 at the start of each Scabeithrax control the player's turn, except Daemons and the version holding the mark of Nurgle will have to perform a toughness test or suffer wounds without armor, save or save the allowed cover. Models with no toughness values are not affected. Not affected
