Game Boy Roms Advanced in Portuguese Click here! Nintendo 64 Android and Windows Re-2016 Click here! You talk beauty guys? So today brings you download 100 roms that I have from Nintendo 64, they work both on the Wii, as in the iphone, mobile and PC, so yes for everyone rsr. I already have 100 roms that I use on my Wii, I believe they are the best games of 64, but always missing some , anyone who wants some games that are not here in the post can ask in the comments that I will post here as I do with the shelf roms of gba in a post of my blog . Download the desktop: Download version 2.3 : MediaFire Download Version 2.3.2: MediaFire this fake is great, when you install it would have warned roms that would not work well on your computer. Disable your antivirus, chapter no virus I caught from the official website of the program . Just install the program, then download my me , put them in a specific folder, locate the path of the directory of the roms by the user, and configure the controls, the consciation has come with bios, controls I recommend one PS2 or X-BOX 360, the keyboard will look strange, I say from experience. If not even this quick explanation helps you , do not be ashamed to ask me a tutorial on the configuration of the fake, what will I do with pleasure , as in the past others helped me , today I help you. Download : MediaFire Zippyshare ____ Make a donation at Apoi.a.se! With donations from \$1.00 you will help the site stay in the air for a long time, because I bank all this you download alone and it is not cheap, only internet I spend R\$100.00 off maintenance that only those who have blogs know how it is. Help with 1, 5, 10, 20, 50 or 300 reais can you help me maintain the quality of this site, because all the donations will be converted exclusively for it. Whoever helps will receive the bonus (take a look at the goals and rewards), Thank you very much for everyone's cooperation and good download.
