For busy parents, finding gyms is sometimes just as important as finding the most equipment, the right hours or the best classes! The Big Sky Kids' Club is here so we can watch your kids while you take a workout, take a class, relax and chat with friends over a Big Sky Blendz, or just enjoy a hot shower and get a few minutes for yourself! The babysitting fitness centre is staffed by loving and caring people who are either experienced moms or graduate students, and is available for as little as only \$10 a month! Hours for all Big Sky gyms with babysitting are available here: One of the most important things in choosing a fitness center is to find a facility that suits everyone - including your kids. At Genesis Health Clubs, we are a fitness center with the ultimate Kid's Club! Rest assured, knowing that all activities are supervised by professional specialists from the Kids Club. For convenience, Genesis now offers a membership in the Children's Club; you can add your child to your membership for unlimited visits to the Kids Club each month. There is also a \$5 reduction in the rate for those who want another option. Children must be between 6 weeks and 13 years old. Kids Club is only available to children or the family of our members during posted business hours. Sons and daughters, grandchildren, nieces and nephews of our members are welcome. We have a variety of activities, including games, crafts, movies, books, infant activities, parties and much more. A responsible adult must remain on the club premises while the child is at the Kids Club. If someone other than a parent picks up a child, Children's Club staff must be notified and appropriate identification must be presented. All Children's Club staff are CPR certified and ready to adapt to any of your child's needs. Enjoy your workout while we take care of your child. Kid's Club Hours Sunday: 9am - 1pm Monday: 9am - 12pm, 4pm - 7pm Tuesday: 9am - 12pm, 4pm - 7pm Wednesday: 9am - 12pm, 4pm - 7pm Thursday: 9am - 12pm, 4pm - 7pm Friday: 9am - 12pm, 4pm - 7pm Saturday: 8.30am - 12pm
