By Eddy Robert Last Updated November 30, 2020 If you prefer open world multiplayer war games, then Smite is the game to suit your needs. Put together by Hi-Rez Studios was also published on 2014. This is a multi-platform game that can be powered by Macintosh, PS, Windows and xBox One. You control different mythological creatures to join in arena battles. The battle that it takes between 2 teams each team contains 5 players. Smite Currencies (Skins, Gold and Gem) The most used item on smits can be gold. With this coin you can purchase different items, for example, clothes, precious stones and skins. Also, gold can be used to enhance character statistics, buy giving it more strength and strength. If you forget about spending money to re-engage your figure, you may use promotional codes that we publish here. Using this code to get free skins per game for different gods unlocked. Also, by fighting on battles and winning championships you can make free stones and skins. Free Smite Skin Codes automatically you will find 5 gods that could be unlocked for free. Also, there are a lot of gods,and a wide range of skins that could be redeemed with free coded skins or by unlocking them with achievements. The reward for winning 20 matches ranked in a season is called the realization of Solid Hornet Ah Muzen Cab. When you refer to someone in the battle arena so as to enjoy them for at least 10 hours you are honored with the triumph & achievement Agni. When 3 or maybe more player you have refereed for the game reaches level 15 or higher you will receive rewarded with Sock PuppetTyr. We have detected that JavaScript is disabled in this browser.
