Click here: Link: Http://techcitygame.club/76385275The challenge of the game is to win every mission provided by your headquarters. To complete the mission, your hero needs to destroy three alien bases. Every mission, waves of aliens attack your tower and your duty is to protect the tower and destroy all aliens. The game looks simple and simple, but it gets a little frustrating once you get to level 5.This game is in-app purchases, and if you spend real money or have endless supplies of free gems and free coins, it is almost impossible to get over the level. Upgrades cost coins and although you get coins destroying foreigners, it comes in trickles. You can use reinforcements such as cryo bombs, infantry support and air support, but you only get 3 to 4 rounds max. Once exhausted, you need to spend gems to replenish them. Once aliens start attacking en masse, you can use a Tesla laser to destroy it, but in each game, you only get three rounds of Tesla. After you have exhausted all three rounds, you must use the gems to refill it with another three rounds. You can also play alongside other powerful heroes (level 20 heroes; level 20 is the highest level), but you have to buy them with real money. Overall, you can't play this game and hope to finish it without using lots of coins and gems. You have three options to win in this game, grind through it for endless hours, spend real money, or use cheats and hacks to get free gems and coins for free. Endless supplies of free gems and free CoinsGames like Alien Creeps TD lure players with free games to play, but don't tell you how much in-app purchase is required before you start playing. That's why many websites offer cheats and hacks for players who want to enjoy the game. Many websites offer Alien Creeps TD Hack and Creeps td cheats where you can get endless supplies of free gems and free coins without spending a dime. You can play the game at any time without being ripped off.
