In this game, you will be the owner of a facility that manufactures, manages and distributes marijuana for medical purposes. Of course, your company is perfectly legal and locally licensed. Contents [ShowHide]In previous idle games, we were able to mine Idle Miner Tycoon, smartphone company Smartphone Tycoon, but have you ever tried to manage a marijuana factory? Grow your factoryIn Weed Inc., your job is to manage all operations of the hemp plant by planting, harvesting, manufacturing, processing them into medicines and then selling them to customers. You start a business in San Francisco, you can expand your market to New York, Los Angeles or The game is an excellent simulation of technological development. Planting, cleaning and these jobs require a complex process and a long time, but Weed Inc. does everything quickly and comfortably thanks to modern machines. You must follow the standard cycle in this game. First, you have to choose a stuffy species and plant it in a safe place. After the umbos can be cleaned, you can clean them up and drop them in the chain. This amount of stuffy is supplied by a bottling machine and can be sold to customers. After making money, you can open new umbrju such as GrandDaddy Purple, Gorilla Glue or Krunk Skrunk.Hire your employees Because Weed Inc. is an idle game, you must hire the employees responsible for each stage of the factory instead of doing everything for yourself. After making money, you can hire a harvester employee, factory manager or experienced sales representative. Good employees will help you earn more money, but in return you will have to pay them more. You can be in an unemployed state after just a few hours of playing because your employees automatically factory. Your task is to just sit there and watch the money automatically get into your pocket. When you're free, touch the workers to work more. Expand the business market This game revolves around all three dismissals, work and upgrades. As a boss, you need to upgrade properly and find ways to develop your factory. If you feel your city is too small, expand your business to other cities. Innovating locations will help you find many new customers and develop the company's reputation. Besides, don't forget to upgrade your machines. Everything needs to be upgraded evenly, avoiding the fact that you catch too much stuffy, but your machine doesn't hold the bottle, making too many umbos were left. GraphicsLike other idle games, Weed Inc. has a relatively simple design, easily causing sympathy for players. Game options are clear and easy to understand. I was very impressed with the way they shaped the characters and plants. Each character has its own characteristics, you can even remember the name of each employee. MOD APK Version Weed Inc: Idle TycoonMOD FeatureUnlimited Money: You can buy Tokins and Money completely free, even if you don't have enough Gems.Download Weed Inc:Idle Tycoon MOD APK for Android For me, there are many reasons to play Weed Inc: Idle Tycoon. This is an idle game with quite simple and gentle gameplay, good graphics, impressive sound. The game does not require too much time for the player.
