Free ACT training test from Magoosh So how do you get this free ACT training test? To get to this full-length ACT training test PDF, just enter your email address. On this page you will also find: This full ACT training test includes: ... All five parts of the ACT, as you'd expect from an ACT test. (Magoosh ACT's full test includes english, maths, reading, science and essay prompting.) What to expect for each ACT section of Test Day 5 there are 4 parts of multiple choice questions in the ACT: English, maths, reading and science. It also has an optional essay section. Let's take a closer look at what you can expect as a test taker. The ACT English Section Act English test has 5 points, 75 questions and a 45-minute time limit. You will be tested for dice, subject verb agreement, verb formats, pronoun shapes, adjectives, adverbs, converters (especially comparisons and superlatives), idioms, sentence structure, paragraph structure, and writing style. For more information, see magoosh's study guide for a perfect 36 in ACT English. Example of act english practice question: This question comes from Page 3 of the Magoosh ACT Practice Test PDF. ACT Math Section ACT Mathematics has 60 questions and is 60 minutes long. ACT Math tests prealgebra, algebra, intermediate algebra, level geometry, coordinate geometry and trigonometry. In these broader categories, you come across many subtypes of mathematics. A full breakdown of the math concepts you see in your ACT exercise test is on our list of 15 key concepts to review for ACT Math. The ACT reading section in ACT Reading is paragraph 4 and 40 questions (paragraph 10 per paragraph). ACT Reading has a 35-minute time limit. Act Reading's point types are: prose fiction, humanities, social science and science (there is one of each type). ACT Reading question types are the main idea, comparative relationships, causation relationships and sequence of events, conclusions and generalizations, meaning of words, author's voice and author's method/purpose. For more information about ACT Reading, see Rachel's ACT Reading Guide. Example of the ACT reading question: For more information on the related section, see Pages 24 and 25 of the Magoosh ACT Practice Test PDF. Act Science Section ACT Science has 5 points and a total of 40 questions that will be completed in 35 minutes. ACT Science access types are as follows: 3 studies (7 questions for each), 2 presentations (6 questions for each) and 1 conflicting point of view (7 questions). You don't need much previous science knowledge for this section. You just need to be able to navigate and understand typical science texts. Magoosh has a great guide with this: the funny Dark Knight's Guide on How to Get a Perfect 36 is ACT Science. Example of act science question: The table and question above are from pages 38 and 39 of the Magoosh ACT Practice Test PDF. ACT Writing (a.k.a. Optional ACT Essay) The ACT essay contains a brief description of an important social issue followed by three different opinion matches on the issue. Your essay analyzes three strains and also develops and defends your own position on the social issue. (For example, magoosh's ACT Practice Test PDF prompt is all about censorship; see page 49 of the ACT Test PDF to see how to view that sample prompt.) For the best test score in the ACT, check out Rachel Kapelke-Dale's wonderfully titled tutorial Magical Guide to Perfect 12 Scores in an ACT Essay. Act Section Scores vs. ACT Composite Score ACT's four multiple-choice sections are scored on a scale of 1 to 36. The ACT as a whole is also scored on a scale of 1 to 36, and your ACT composite score is the average score based on a score of four sections. The optional ACT essay is scored separately, with a score of 1-12. For a complete guide to ACT scores and how to use them in college entrances, read our article ACT Score Range: What's a good ACT score? ACT training test answers and explanations Yes, you read it correctly: our training test is an ACT training test with answers and explanations, including video explanations! {{Privy:Embed Campaign=1252918}} An example of what these useful explanations look like is in our ACT Practice Question of the Day post. This post previews a small handful of questions that are in our training test and contains links to explanations. You can also go to a page that contains all the Magoosh ACT Practice Test answers and explanations. (This page is also linked to a PDF file.) Where to find official ACT training tests Training tests are an integral part of ACT preparation, and Magoosh's free ACT Practice Test PDF is a good place to start. After doing the Magoosh Test, I would definitely recommend doing some additional exercises on the act's official ACT tests. Here's a list of each free official ACT practice test at the last three years. Each of the actual tests in the ACT policy below is comparable to the current one, the actual ACT tests that are being given right now: Preparing act 2020-2021 tests for ACT 2016-2017 Tests If you're wondering what happened to the 2018-2019 and 2019-2020 tests from these booklets, they were exactly the same as 2020-2021 test. This is not new to the ACT – The 2016-2017 and 2017-2018 tests were also the same. You can also buy the official ACT Preparation Guide 2019-2020, the official ACT Preparation Guide 2016-2017 or the Real ACT Prep Guide, 3. There are a total of 11 practice tests between the three books. But be warned - many of the exercise tests in these books are exactly the same as the online tests linked above. Official ACT materials do not contain in-depth text and video reports provided by Magoosh for his own questions, but they are still excellent practical sources. It's really important for ACT and Magoosh to do a number of exercise tests to experience the range of questions and content in the test. For more information on these additional official materials, see magoosh's review of official ACT preparation. ACT Test Data Act test is a standardised exam used by US colleges in their selection process. The ACT test serves a similar task to the SAT, as colleges and universities use both as a take-in factor. Standardised tests are placed in varying degrees of importance by different institutions and use them in conjunction with other factors such as GPA, class value, community service, recommendations and out-of-class activities. The PURPOSE of the ACT test is to measure the readiness of high school students for university. The ACT test consists of multiple choice issues in english, mathematics, reading and science. There is also the ACT Plus writing test, which is a thirty-minute essay test that assesses your writing skills. The ACT writing test is mandatory for some colleges and optional for others. To prepare for the ACT, you can try our free ACT training tests. For more serious preparation, take a look at the best ACT preparation courses.
