A pug's guide to dating

Who knew that sniffing someone's back in a park could be so appealing? For each pug, the path to romance is filled with impressive highs and lows crashing. For every successful lick there is a cancelled hump leg, for every whiff of a queen there is quite a grieving adoration unilaterally. In A Pug's Guide to Dating, pug lovers and illustrator of the moment Gemma Correll has put together a collection of 50 charming cartoons, observed from the pug's point of view, the pitfalls faced by young pugs in their quest for love. A 20lb, wheezing, panting lothario with an undeniable word appeal that no creature - of convincing dogs or otherwise - can resist. However, even for naturally a passionate and handsome creatures, the world of love can be a difficult and confusing place; a minefield of potential mistakes and mis-evaluations. The pug who adheres, as most do, by the law of etal rituals and decorum that governs his type, will understand the need to walk carefully, to study and strive to understand the conventions that govern the world of curly-tailed courting. For random observation, it may appear that pug, possessed with natural charm and charisma, dashing good looks, and an infinite repertoire of intriguing snorty noises, finds it easy to attract any number of fans. But even the most confident pug can ask for guidance in the sometimes bewildered world of modern dating – for example, he must learn how to present himself in a personal advertisement. So here are a few pointers... Se nota, en cada letra, frase y palabra, el amor de Gemma hacia los animales en general y hacia los carlinos en particular. Esta pequeña guía ilustrada les (nos) enseña a estos pequeños perritos a encontrar el amor: cómo ligar, cómo preparar una cita perfecta... pero también explains that, many times, love is over. Faced with this, it gives them the keys to overcome the rupture, because after all, there are many dogs in the parks We are facing a beautiful written with everything amor del mundo. Se nota, en cada letra, frase y palabra, el amor de Gemma hacia los animales en general y hacia los carlinos en particular. Esta pequeña guía ilustrada les (nos) enseña a estos pequeños perritos a encontrar el amor: cómo ligar, cómo preparar una cita perfecta... pero también les explica que, muchas veces, el amor se acaba. Ante esto, les da las claves para superar la ruptura, porque al fin y al cabo, or muchos perros en los parques. Sin duda, es una guía que todos los amantes de los perritos disfrutarán, que, además, se lee en diez minutos y que seguro te saca algunas sonrisas. ¿O acaso sabrías que si olemos culos conocemos mejor a dueños sus? No? Pues ya sabéis, en la próxima cita que tengáis, metéis la nariz bien adentro. Pero lo más bonito es, sin duda, lo que he dicho antes: el amor que destila. Todos los que tenemos y amamos a nuestra mascota, sabemos que son otro miembro de la familia más... y ya que todos los malditos días nos encontramos alguna noticia sobre maltrato hacia ellos, pues está genial encontrarlos también este homenaje tan lleno de cariño. Gracias, Gemma, por quererlos así.
