That's what makes a Leo as the youngest members of the International Lions Club, Leos embodying the best qualities of our incredible organization. They are devoted young people who understand the power of action. Together, Leos and Lions form a powerful partnership - one of mutual respect in which lions learn from leos' innovative insights, and where Leos gain access to the proven strategies of those who have successfully served the world for decades. 7,200+ clubs worldwide 140,000+ Leos 150+ countries and territories 30,000 service projects 2019-20 There are many ways people can get into their community - but Leo being much more than just service. Choosing Leo's Club will help you grow up as a person and as a leader as you join a global family of young people making the world a better place. Watch the winners of our annual Leo Video Contest, Leo from Leo's El Kantoui Club, share why they chose Leo. If you are interested in joining a Leo club, use our club locator to find a local Leo club near you. Leos has many leadership opportunities, including the ability to serve as Leo's officer in his club, district and region through annual elections. Lions International offers resources for Leos to seek to grow its impact as a project organizer, motivation and leader of its peers. There are also individual Lions Leadership Institute and online courses through the Lions Learning Centre that Leos can access. For more information, see the Learning section of your milk account. Leos and Lions can also share their ideas and represent Leos at the Constitutional Area (CA) level through the Leo Club advisory panel. Representatives of the two lions are two Leos from each CA who attend monthly web meetings with lions international staff and create resources through committees. These lions and Leos are dedicated to helping future craft programs and generate resources designed to increase the impact of Leo's club program. Visit the Leo Club Advisory Panel page to find your representative. Lyons Club International has a number of awards that recognized Leos and clubs for their exceptional leadership and service. For more information on the different types and criteria of the award, visit the Leo Awards page. Leos has the opportunity to access funding from Lions International Clubs for services and leadership events. You can find out more on Leo Grant's page. Every year we showcase Leo's service through Leo's video contest. This year, we've seen Leos step up in their community and inspire As they safely serve in the global pandemic. The International Lions Badge was officially adopted in 1919. At the center of the badge is a gold letter L in a purple circle; the badge features English LIONS at the top and English INTERNATIONAL (international) at the bottom, and the side head of a lion on each side of the badge looks left and right for the future. On March 12, 1920, he became a truly international organization -- his first season was founded in Windsor, Ontario, Canada. Members usually attend meetings monthly or every two weeks. Political, religious or other controversial topics are prohibited from discussing. The Lions Club is a real community organization, its members by region, region, country, etc. Another interesting feature of the Lyons Club's operations is that all the public donations it receives go to charity, and its own operating expenses are strictly separate from the donations and the members themselves are transferred to it. In the West, the average age of Lyons club members is increasing but the number of members is declining. This is the same status as other service associations such as Rotary Clubs. 1917, United States 1920, Canada 1926, China (Tianjin and Qingdao) 1927, Mexico (Nueve Laredo) 1955, Hong Kong and Macau 2002, People's Republic of China (in Shenzhen, Guangdong, founded on May 14, is the first international service association established by the national government in mainland China) Lions International Club 1. In Perth, more than 30 years of hearing examination services were provided and funding was provided for the establishment of the Lions Club's Ear and Hearing Research Centre on September 9, 2001. The center excels in diagnosing and researching hearing loss. In Perth, the West Australian Lyons Club also donated the Lions Eye Research Centre. In Brisbane, the Queensland Lyons Medical Research Foundation sponsors a number of researchers. The International Lyons Congress is held annually where members of Lyons clubs from different countries can exchange views, discuss the spirit of the Lyons club and share their experiences of the event. Elections and rallies are also usually held to discuss the establishment of services and funds, as well as the exchange of badges and souvenirs. The 89th annual meeting is scheduled for June 30 to July 4, 2006 in Boston, Massachusetts. The visit was originally scheduled for New Orleans, Louisiana, but only changed because of Hurricane Katrina. The first meeting was held in Dallas, Texas, in 1917, the year the Lions were founded.
