The deborah anointing study guide pdf

Old Testament leader Deborah, you can be a woman who defies cultural and gender boundaries around you and meets God's great fortune as a strategic intercession, and prophet. As you learn about this judge and leader who lived many years ago, you will be emboldened to become a modern-day Deborah, walking into a lifestyle of prayer and worship, bringing others to Jesus. Designed to be used as a companion to the book, Deborah Abhishek's study guide is a 4-session study that will help you walk in responsibly and call God to live and lead boldly. The foundation of each lesson is built on the same video teaching that can be found on www.michellemccainbooks.com. If you're facilitating a group, you can also download a leader guide that includes tips, templates, and lesson plans for running groups. Church of God in Christ, Inc. © 2015-2019 prophets be inspired by Deborah to live and lead boldly! In Deborah Abhishek, Michelle McClain-Walters challenged women to discover a motive more than themselves. Now in this companion study guide she will help you walk in God's call on your life and become a modern day Deborah who fearlessly leads and lives in life. This powerful four-part study dives deeper into the theories that shaped Deborah as a powerful judge, the mesaranga, the prophet, Israel's mother and military strategist. Through these principles, you will be empowered to break through the constraints of tradition and gender prejudices and embrace the fullness of your unique purpose in it. Special features: Fellow videos for individual or small group studies (sold separately) report to the small group leader's guide with discussion questions, commentary, and answers available as a free, downloadable PDF
