In the Avondale School District, we are proud of our impressive teacher-to-student reporting! The size of our small classes and our family culture makes a difference when it comes to helping students realize their full potential. Not only is our academic curriculum competitive, but our dedicated faculty embrace our diverse student bodies, giving one-on-attention to engaging each and every student, encouraging growth, and inspiring them to chase their dreams. On our District \$4.3M in 2020 scholarship opportunities 82% participation in athletes & clubs 41 different courses (K-12) 60% of our teachers have advanced degrees we want our students to flourze in their educational journeys and beyond them. As such, we believe in widely recognized Science, Technology, Engineering, and Mathematics (STEM) educational programs. We have also taken the initiative to adopt Project Based Learning and Design Thinking Approaches in Education to bring a more authentic and collaborative experience to your student curriculum. By bringing real world problems into the classroom, we aim to take students' interests while advanced thinking initiatives and solve tactics that are solved. Our curriculum was my privilege for 23 years that I had taught in the Avondel School District to and many employees who commit, creative employees and support managers. As Avondale teachers, we continually improve our skills and embrace new teaching strategies so that the learning experience for all students is rich and meaningful. I am proud to be such a dedicated staff member. Avondale provides a wide academic, pre-professional opportunity, and athletes opportunity among a vibrant and diverse student body. Experienced teachers and educators promote effective learning and inclusion, and students follow suit: All students feel welcome and find a unique space in the wider community. My Evondale experience, enriched successfully with unforgettable memories, formed me into a living Christian I would never imagine as a child. Personally, I pushed to realize my full potential throughout walks of life during my full Avondal K-12 experience, as there are all of my peers. Socially, I met people who build their life friendship with them, and, for that, I'm really grateful to be a member of the Avondale Community.
