This can also be considered a demo and can be used on PlayStation 4, Xbox One, and Steam. In almost all cases, the achievements of Steam and Xbox are the same as the PlayStation 4 Trophies. The roadmap to Platinum Trophy you need to complete the first 3 worlds. Keep an eye on the following: Earning stars 1) Earning stars opens up heroes. A total of 46 stars are required2) You can earn 3 stars at each level: 2A) Don't get hit (is always colored. It fades when you get hit.) 2B) Collect all enemies f you don't have enough stars towards the end, just repeat some levels. Heroes Earn Enough Stars (46) should offer you a total of 15 new heroes, as shown below. Every hero had his own statistic. One has more health, some have more damage. The best all round heroes are: First Hero General (Third Row, Second Hero) There are quite a few weapons available, but all you have to do is buy the following: Magr Shotgun - SMG Gun - Plasma Pistol Kill Enemies There are plenty of kill enemy XXX awards. To earn all these, just play until you reach the boss in world 3. You can earn all the trophies during these levels. Crystal skull Crystal skull Crystal skull can be found on level 1 of the world 6. Watch the video below for a full step-by-step scan. Step 2 - Final bosses There are 3 end bosses that need to be killed. Frankly, they are quite easy to destroy. World 1 – Downtown (click on the video) Shoot a few times until the boss comes up against you. When that happens, jump on the platform. Wait for the laser to run out, and then start firing again. Repeat until it's beaten. World 2 – Drains (click on the video) It is best to use a magnum and not a double stick shotgun for this boss. Keep shooting the boss until he goes into its shell. When that happens, slowly walk forward. When the ammo stops, go back and repeat. World 3 – Cemetery (click on the video) Press and hold the fire button and jump three times on site to dodge ammunition. When the boss jumps at you, move to the other side of the room. Repeat until he dies. Trophyes Platinum HeroGet all other awards princessunlock princess heroine. The first one can be found under Ronan's house. (Chapter: Big wooden house) Homecoming (50GS): Solve the puzzle at Mary-Ann's door The answer is Moose, Bear, Pelican (see below). (Chapter: Big wooden house) Full confession (50GS): Have Tessa tell you everything she knows. We did this by presenting the following things in vechh's store (and don't worry - the achievement seems to pop up a long way after you've spoken to Tessa): Choose Tyler's memory (Mary-Ann was angry) Get Tom to put on the music that Mary-Ann and Tessa claimed; then follow your memories Turn on Tessa's computer and read an email from the Alliance for Traditional Families Grab the 2004 ledger in the closet Reply October 2004 when you guestion Tessa's Answer You told her about the camp next (Chapter: Rashomon) Hacking 101 (50GS): Hack into police department computer. This password is Salem and is the name of the 2006 Iditarod winner, according to a note in Dee's closet. Enter the password on the receiving computer and D. Wilson. (Chapter: Service and Protection) Tied to a lie (50GS): Remember the night the twins agreed to lie. After getting coffee from the break room at the police station, be sure to look in the interrogation room and trigger the memory inside. (Chapter: Service and Protection) We need to talk (25GS): It took time to talk about things with your twin. We have a call to sit on the bench in the police station dressing room to pick this up. (Chapter: Service and Protection) Chapter 1 (100GS): You have completed Chapter 1 obtained through normal progression. Tell me why Chapter 2 Achievements (Don't forget collectibles throughout this chapter!) Kick me: Put a post-it note on Tyler back. After Tyler puts post-it notes on you to put things around the house, put one on him. (Chapter: Ahoy Goblins!) Prove to Tyler that moo boxes are fun. When you go to clean the sofa table in the living room, the moo box can be found on its bottom shelf. Keep using it until this pops. (Chapter: Ahoy Goblins!) Go to the kitchen table and figure this out. the answers are: Left — The Pious Pelican (Tessa) Centre — Stalwart Moose (Eddy) Right — Old Bear (Sam) (Chapter: Ahoy Goblins!) Arborglyph: Fix the old graffiti on the tree. Before you leave the stop, there's a big tree near the car. Interact with the police station archives office, you need to use a computer to check ronan children and March 1st 2005 tags during the search (they will appear when you find more evidence). This will open the digitized audio recording of the call. Play it! (Chapter: Cold Case) Remember Strange Vampyr: Find three classic posters. There are three posters at the back of vecchi's shop. Depending on your choices, some of trueAchievements say you can focus on this chapter 1 or 2 to do so. (Chapter: Veni, Vidi, Vecchi or Epilogue) Life Tears Us Apart: Complete the story as the twin's bond weakens. This is obtained from: playing the game and making choices that drive the twins apart (with the stars drifting apart) instead of the stars joining, and then play to the end of the game. Depending on your choices, some of trueAchievements say you can focus on this chapter 3, and others say you need to restart Chapter 1 or 2 to do so. (Chapter: Veni, Vidi, Vecchi or Epilogue) (Chapter: Veni, Vidi, Vecchi or Epilogue) New Chapter 2 onwards to both achievements, since some who started this sync in Chapter 3 only opened this up.
