For example, developers, Crowdstar Inc. they've teamed up with big brands to bring you the best in fashion. What else can you ask for? Fashion lovers, chic fanatics, it's time to rejoice! With a handful of different clothes and accessories to wear, it's never a dull time. What's next for you? It's simple - download Covet Fashion for Android in the world of style and sophistication now. Covet Fashion has dozens of well-known brands to try and swagger. Among them are Vince Camuto, Calvin Klein and Rachel Zoe. Anyone familiar with these brands would quickly become obsessed. Just make sure you remember your real life, otherwise you'll end up shopping forever. Then it's time to mix and match to style the perfect outfit for you. With thousands of options of clothing and fashion accessories, everyone will have their own unique style. No one will ever come across a case where 2 people wear exactly the same styles. That's not all, you can even customize the look of your avatar. Choose hair and facial features to give yourself an even greater presence and independence. This game just keeps getting better and better! Playing with friends You play Covet Fashion with friends to show off your clothes. You can visit the Fashion House to give each other advice and talk about the best outfits. There is even a Facebook page that connects even more with people and shares tips. Even more so, you can vote for a decision on who has the best clothes on the fashion scene. Vote and see what works and what doesn't. The game has built its own trends, so everything is always changing and refreshing. The best part of the game, you can show your own style. You can be a slave to trends and handle what's in and trendy. Or, you can be a rebel and show off your unique style for all to see. No matter how you play the game, you'll get dressed up the most fun and show off your avatar. Unique Graphics The Covet Fashion game is presented in a very realistic 2D art style. You'll be captivated by the visual art on display at any time. Also, the clothes are very recognizable. You will know exactly what style of clothing you wear only in appearance and texture. Character adjustment is also very appealing. There are dozens of hairstyles and colors to express. Which you think is the most consistent with your style. In fact, they all look pretty fantastic, if we put it that way.
