I thought of you today sign

Beautiful plaque of walls - a comforting presence in the house; great as a gift for compassion. Engraved with a poem I thought of you today, but this is nothing new. I thought about you yesterday and a few days before that too. I think of you silently, I often say your name. All I have is memories and your picture in the frame. Your memory is the 30th time I'll never get heard from. God has you on Your Hands, I have you in my heart. Plaque - a moss with weathered stone appearance. Size 6 x 8; saw hanger in the back.
