Players need to develop how to have more fans everywhere to protect them from fighting the zombie you want to destroy. AGE OF WAR 2How sexlaf playplayers are believed to be known protagonist to prevent the destruction of zombies, the protagonist will be the trip to the most remote places in the country in his car to fight zombies. On your journey you must find shelter, defense is hit, pickup trucks along the road. HAPPY WHEELS But thanks to the use of zombies and trucks will reach different places. You will receive more money on the fly thanks to the opponent who has won during the trip. So you get these charges to repair and upgrade the facilities. Then you will continue your journey to fight many other obstacles to reach your destination. Player Controls The default key controls you will use most often are fairly standard compared to other similar games. The default directional keys in Win to Die are simply the arrow keys on your keyboard; The up arrow key will cause your truck to drive forward, and the left and right keys will control the tilt of the trucks. In addition, you can unlock a variety of boosters in each level to help you move towards the finish line. To activate the boosters, simply press the X and J keys on your keyboard. VehiclesEarn to Die provides the player with three vehicles to choose from: a hatch, a pickup truck and a heavy pickup truck. Each vehicle can be upgraded as you progress through each level and earn cash. However, improvements are not supported among vehicles. This means that all updates you've made to your hatch won't be activated when you unlock and start using pickup trucks. UpgradesEach vehicle offers a variety of update options available. Remember that improvements to a vehicle are not compatible with other vehicles, so you will have to start from scratch when you unlock and purchase a new vehicle. HOBO 5: THE HILARIOUS MAN!! Some of the type of upgrades that can be expected for each vehicle are: larger wheels with better traction, better transmissions and more powerful engines. Winning by dying has become very popular with people between the ages of 10 and 45. The madness of the zombie apocalypse that currently takes the world by storm, as well as stunning graphics and amazing stories, may have something to do with this instant popularity.
