Birth by sleep 0.2 trophy guide

We have trophies, people!!! There are 15 trophies for this half of the game, but no Platinum. There is one Proud/Critical Mode trophy, but because of the goal you need two playthroughs. One playthrough can be done in less than 5 hours, so use the first one to cry a little enjoying the story, and the second to clean up all the lost trophies! KEEP IN MIND: There is one goal that requires you to defeat the last enemy in Critical Mode. If you want to do minimum playthroughs, the second you have to critical.Wandering in the Dark - BronzeBegin your journey! Flow of Time - BronzeComplete Castle TownFalse Temptation - BronzeComplete The World WithinReal or Illusion? - BronzeComplete The Forest of ThornsInto the Depths of Darkness - BronzeComplete game! Dude with me! Treasure Hunter – BronzeOpen ALL treasure chest. There's more than you think. Guide here! Ambitious – Complete ALL Gold Goals. There are 51 of them and they range from reaching level 80 to doing certain things for a particular boss. Less than half of them had to be obtained through normal games (after 5 hours I was at 40%) but many NEED a second playthrough. Guide here! Undefeated - BronzeComplete game without having to Try /Continue. It can be a little difficult if you rust like me, but luckily Auto-Save really saved the day. Every time you die, just press Load instead and go to the one with the higher Play Time. Viola! Heartless Hunter - Heartless 500+ BronzeDefeat; should be obtained automatically while milling the level for the purpose. Ice Queen - BronzeUse Spellweavers completes the command 5+ timesProud Player/Critical Competitor - SilverComplete game in Proud or Critical Mode. I highly recommend making this your second game so you can enjoy the game and focus on the story the first time. If you need a challenge, then JUST DO IT. A Magical Finale – BronzeUtilize all Magic Situation commands. Use Firaga, Blizzaga, and Thundaga several times in a row each to unlock each special Magic Situation.Shotlock Star - BronzeWhen using Shotlock, get amazing ratingsDark Explorer - BronzeWalk remotely in one map. Just run around in circles if you don't get this through regular gameplay. I actually got this while exploring Castle Town so this is probably an accidental trophy for most. Fashionista – BronzeEquip one item in each wardrobe slot. Aqua makeup. Love.
