Best slow dance songs of the 70s

The couple's first dance together means their union and helps to set the style and tone of the celebration. It's perfectly OK for a happy couple to choose a song with a personal meaning that isn't a showy romantic ballad. If it's a romantic show-stopper, though, your guests are much more likely to be enchanted. These 10 first dance wedding songs are not always poured into romance and drama, but they will deliver goods when it comes to creating a remarkable, touching moment on the dance floor – even if you have two left legs. We'll start the countdown with a pretty memorable song on the next page, and we'll share the first few dance picks put forward by Say Yes to Dress fans on Facebook. Content Written by Irving Gordon and made popular in 1951 by Nat King Cole, this slow, sweet number was restored in 1991 by Cole's daughter Natalie on her album *Unforgettable: With Love*. With the magic of modern sound mixing, she sings the song as a duo with her dead father. There are several other procedures available from different artists, but these two are - memorable. Advertising grammy winner in 1991 for Best Pop Vocal Performance by a Male Artist, Michael Bolton's remake of this popsu 1966 Percy Sledge tune has drama, power and sex appeal.
