Bu course evaluations cas

Link and form, Mathur said. I did it today and it takes about five or six minutes. I thought it was actually quite fast — certainly quicker than the hard copy version. Mackenzie Hall, a sophomore at the College of Engineering, said she thinks if students are able to complete online evaluations in the classroom for the time being, they are likely to respond to them at the same rate and with the same quality responses as with paper evaluations. As long as they give you time during class, they are as likely to respond, Hall said. You'd probably still get the same amount of people and maybe get the same quality of comments. Danielle Gabriel, a junior at CAS, said she thinks online evaluation will be more efficient. It can be a little more efficient, Gabriel said. Everything done with the media is now more effective in the time it is done and more prompt. 405 School Rating Rating Comment 12/02/2020 11/28/2020 11/21/2020 11/20/2020 11/20/2020 11/1 6/2020 11/13/2020 11/13/2020 10/22/2020 09/30/2020 07/2 9/202005/27/2020 05/27/2020 05/14/2020 05/11/2020 05/11 /2020 05/0 7/2020 05/06/2020 04/2020 04/27/2020 Load more ratings Were these reviews useful?
