Link: Bananite Do not know where to put this because it keeps being flagged and there is no reporting area. Whenever I try to download a mod it keeps showing up 404 kginx not found, somebody fix it now, this is the second day of the problem. Rythem and Reap. Hey, I'm not sure if this is the same for one-click installers for other games, but that the download count for Celeste mods is not taking into account downloads using one click on the Everest installer, only those made via the manual download button. Is there any chance of fixing this? Bananite liust have a question and that's how I can change my email used on this site? I tried to change my identity, but you're not saving the new one. Can anyone point me in the right direction or what I'm doing wrong? Thanks in advance. Bananite on my pc I installed CS source so and I want cs zombie escape source so that what I can do please help or link??? Bananite Hi, is there any way to stay logged in permanently? I'm tired of having to log in every few days or so, despite having the setup keep me logged in always on. Thanks in advance! Bananite, can I delete my account? I no longer use this site (not kidding; seriously). Yo, modertaors, can anyone add a Game DmC: Devil May Cry to your site? I have few mods for it that I wanted to share. Thank you. Will you be waiting:) Bananite Hi guys, I was on the ultimate smash topic, and there are some racist things going on that I think you be waiting:) Bananite Hi guys, I was on the ultimate smash topic, and there are some racist things going on that I think you be waiting:) Americans themselves have asked to be removed from the games for being offensive, which Nintendo itself has forced, and the OP is trying to bring it back. I reported on two occasions and got kicked out, so I thought I'd get in touch with you. Thank you Bananite Page 3 GameBanana does not show ads to members. Sign up now! Ads keep us online.
