The Award Description and Activities of PlansAwardSkill-Building District TravelLeadershipScience, Technology, Engineering and Mathematics (STEM) JourneyLeadershipCreativity - The Art of the Elderly will mentor young girls in camp settings as they build the skills to be camp counselor. To earn money, visit the counselor in the training summer camp session. Visit Camp.GirlScoutsRV.org/Camp-Calendar to find trainings. Pin As part of the World Association of Girl Guides and Girl Scouts, girls are in an exceptional position to take action and make the world a better place. After earning the Girl Scout Gold Award, the girls will join generations of young women who make a difference both locally and globally. The Gold Award represents the highest achievement in Girl Scouts and therefore the commitment of girls to make and complete as a person. To earn, see the Higher Awards.Highest Award When your girls see all the colors textures of fabrics and yarns, do they dream up to a million things to do with them? Get the girls ready to turn these visions into reality as they meet the artist, learn about the textile art world, and do two projects in craft that most inspire them to pick up their needles (or loom or spinning wheel). To earn, complete the following activity plan: Textile performer-up PlanBadgeCreativity - ArtsScience, Technology, Engineering and Mathematics (STEM) When girls look at the world through the eyes of a web journalist, they will find history in everything. Girls will build a safe space online where they can show their readers what drives them and share stories and causes with friends. They may end up getting to know themselves a little better, too! To earn, complete the following: Website Designer Activities PlanBadgeScience, Technology, Engineering and Mathematics (STEM) Creativity - The Art of Imagine Agricultural Silkworms to Make Raw Silk, EngineerEd Biodegradable Tissue, or Using Chemistry to Develop a Cover that hides and heals acne scars. Fashion and beauty are a glamorous business, but it is the science behind these industries that makes their products cutting edge and desirable. In this icon, girls will use the science of style to present and create their own products. To earn, complete the following: Science Style Activities PlanBadgeScience, Technology, Engineering and Mathematics (STEM) Creativity - Art Girls will combine color, texture, glue, and paint to develop some serious DIY flair! Your girls look around for a room that inspires each of them (bedroom, study nook of the family room, etc.) and use this icon to help them discover design concepts and correct this tactic needed to turn a simple space into a creative statement. To earn, complete the following activity plan: Room makeover activities PlanBadgeCreativity - ArtsScience, Technology, Engineering and Mathematics (STEM) We often say that we live in an age of information. It is true that we are surrounded by data, but not all information is created the same way. Some are misleading and some are completely wrong. It is important to know how to uncover the truth in what we see and hear, and judge sources based on trust, accuracy, logic and support for their claims. In this badge, the girls will find a way to separate fact from fiction. To earn, complete the following activity plan: Truth Seeker Activity PlanBadgeScience, Technology, Engineering and Mathematics (STEM)Citizenship This badge is your girls' chance to build friendships and social networks by leading a series of fun, inventive and challenging games. Use your vision of what is amazing, fantastic, commanding, and, All in all, fun! come up with unforgettable activities. To earn, follow the following action plan:Game Visionary Activity PlanBadgeScience, Technology, Engineering and Mathematics Mathematics The art of driving is an exciting step towards independence, a chance to have fun going to new places, and a great responsibility. In this badge, the girls will master the maintenance tips that keep the car in top shape and driving skills that will help them drive the road safely. To earn, complete the following activity plan: BadgeScience, Technology, Engineering and Mathematics (STEM)Life Skills No matter how the girl will make her collage, there will be no other like this in the world. Everything from the materials she chooses to, as the final piece is going, to her. Get ready to see creative opportunities in everyday objects. This icon is an opportunity for girls to make art as unique as they are. To earn, complete the following activity plan: Collage Artist Activity Plan icon Lee Girl is a competitive athlete, new to exercise, or wants to improve her surfing skills, hiking, or even throwing Frisbee, this icon will help her customize a cross-workout fitness program that is effective and fun! Cross-training involves a variety of cardio, strength and conditioning exercises in a routine that trains her entire body. Ready? Have girls grab their sweatbands and create a plan that is perfect for their own body, mind and goals. To earn, complete the following activity plan: Cross-learning activities PlanBadge Girls can share food with a historical figure, unearth ancient treasures, spend the summer in outer space, or dance their way around Spain. Writing a novel allows girls to dream of the real world in their own way. As girls write descriptions and dialogue, invent situations and make up feelings, they will experience the fun of a novelist's career. And they end up with something impressive to share-a-fiction work they've written themselves. To earn, complete the following: BadgeCreativity and ArtsLife Skills locavore someone committed to eating locally grown, seasonal foods. Locale's efforts can be important and delicious steps towards healthy eating, helping the environment, and supporting local farmers. To earn, complete the following activity plan: BadgeHealthy LivingLife Skills as a girl scout seniors, they are between home, school, clubs and activities. Wherever they are, they never know when they find themselves in the middle of an emergency. Do they know what to do? In this badge, girls learn how to distinguish between minor and serious injuries, provide emergency care in some life-threatening situations and share important information about injuries and illnesses. To earn, complete the following activity plan: BadgeLife SkillsHealthy Life Is Nothing More Important, good health. Women have unique health problems at every stage of their lives. How girls can make health decisions that are right for them, how they age, and what kinds of support are there to guide Complete this icon to find out! Identify the health issues facing women in local communities and around the world and explore the ones that matter most to your girl. To earn, complete the following: BadgeHealthy LivingLife's Women's Health Performance Skills Plan is a powerful way to impact the audience and the perfect way to put leadership into action. It is also an interesting way to sharpen communication skills, learn to cope with stress with grace, strengthen teamwork skills, develop relationships and develop networks. Get your girls out there to show off their stuff! To earn, complete the following: Troupe Artist-up PlanBadgeCreativity and ArtsLife Skills Sky Masterpiece. It adorns us with living art, whether through glorious sunsets, shifting cloud formations, or stunning displays of night stars. No wonder we take every opportunity to spend time outdoors. Our world is a scene, and the sky performs with beauty, surprise and mystery. To earn, complete the following activity plan: BadgeOutdoorScience, Technology, Engineering, and Mathematics (STEM) Creativity and Art What Adventures Talk to Girls? In this badge, they will go on a multi-day high adventure challenge. They could go rock climbing, spelunking, ice caving, skiing, canoeing, kayaking, cycling, rafting or combination! Put your outdoor skills on the test (and get some new ones) as they become Girl Scout Senior Adventurers.To earn, complete the next activity plan: BadgeOutdoorScience, Technology, Engineering and Mathematics (STEM) there are girls turning a blind eye and imagine that they will experience travel: different cultures, breathtaking prospects, exotic products. They can image zooming down the zip line in Amazon, tasting New York's classic Hot Dog, or digging into local knowledge at the history museum next door. If you travel near or far in this badge, the girls will get a savvy journey to make the most of their adventures now and throughout their lives. To earn, follow the following activity plan: Badge As pet owners, riders, and consumers of cosmetics, clothing and animal products; our relationship with animals plays a big role in our lives. What is the specificity of complex relationships between animals and humans? If girls want to know more so they can make informed choices and help others make them, too, this badge is for them. To earn, complete the following activity plan: Voice for Animal Activities PlanBadgeScience, Technology, Engineering and Mathematics (STEM)Life Skills Paddling takes a combination of knowledge and skills, and a dash of daring. Also provides some of the most unforgettable girl experiences ever on the water. To earn, complete the next activity plan: Badge New Cookie Entrepreneur Family Pin allows families to support girls as they learn to think like an entrepreneur through Girl Scout Cookie Cookie Each level of the Girl Scout class has its own set of requirements to help families guide their Girl Scout as she runs her own cookie business year after year.
