These include a perfect lenses warranty, 30-day full refund on frames and sunglasses, and support through phone, email, and live chat. These services are expensive, and they're not provided by other online providers, so we offer a limited price that matches service. Follow this link to see our full return policy. What we price match Eyeglass frames and sunglasses - in the same model and color and size. Items that price matches another return policy. They can be returned with a 20% restock fee. How to price match We don't price match over the phone or in store. To take advantage of our price match service, put your frames in the shopping cart first. In the comments box, add the web address (URL) of the page with the currently advertised lower price. Checkout by selecting the Credit Card on file option. We will then contact you if the order qualifies for price matching. What we don't price match Match Us price doesn't match any personal lens service, custom work of any kind, sunglasses cuts, or parts. Additional policy rules and restrictions Items that match price do have the manufacturers guarantee, which is usually 1-2 years. Price matching cannot be combined with any other offers. Only applicable to the designated competitors' advertised retail price: their additional rebates or promotions are not eligible. Doesn't apply to other retailers' falsely advertised pricing. Price matching is completely at its discreddit. We may decide not to price at any time match. The internet is filled with unauthorized merchants of branded eyewear, and also merchants of copied or illegal products, especially on Amazon and Ebay. As a result, we'll only match authorized retailers of branded product. Product.
